Corina Holden [Capsule Wardrobe](#) Nancy Rose, 2018-11-23. Is your closet jam packed and yet you have absolutely nothing to wear. Can you describe your personal style in one sentence. If someone grabbed a random piece from your closet right now how likely is it that it would be something you love and wear regularly. Our choice of clothing reflects not only our fashion sense but also our personality. For example you can easily distinguish between a serious conservative business person and an artistic free spirit simply by the way they are dressed. In either of these cases and everything in between the majority of people tend to either try to keep up with the latest fashion trends or they try to make a statement by breaking fashion norms. Like it or not the common tendency among women is to buy clothing and accessories on a whim. Although men are capable of this as well it seems to be a problem that is much more prevalent for women. When we see something we like we buy it even if we don't know when or where to wear it. To justify these impulse purchases we simply tell ourselves that we'll find some use for it in the future. Because of this reckless habit we have piles of clothes in our closets waiting to be worn. How many times have you found yourself frustrated

Capsule Wardrobe: The Essential Guide on How to Find Personal Style and Create Amazing Capsule Wardrobe. If you're looking to change up what's in your closet, look through magazines. Explore parts of the store you don't usually look at. If you wear skinny jeans, try a relaxed fit. If you wear dresses, often try a blouse and skirt. Ask your friends why they like a certain piece or a certain designer or a certain brand. This is also a good chance to see if there's a style you might be missing; our tastes can change as we age. Something to keep in mind while you work on defining your style: looking for inspiration is what you want your clothing to say about you. Each style has a definition and a preconceived stereotype that goes with it. For example, the girly style is stereotypically full of pink lace and dresses. Sometimes all three in one piece of clothing. Simply because something fits the definition of one style almost word for word doesn't mean that it can't fit into another category, too. This book will help you on capsule wardrobe. Thank you for downloading this book; it is my sincere hope that it will answer your questions on Capsule Wardrobe.
