 Sudweeks eds 1998 *Doing Business Electronically A Global Perspective of Electronic Commerce* and Fay Sudweeks and Celia
 Romm eds 1999 *Doing Business on the Internet Opportunities and Pitfalls* Not only is this current book about doing
 something but it also aims to present insights into how electronic commerce impacts upon the lives of everyday people in
 other words how electronic commerce is received as well as how it is done Accessing the Internet on a regular basis has
 become an established activity for many people This activity gives academics and researchers the opportunity to observe and
 study the nature and effects of this engagement in society The influence of the Internet in our social fabric also provides the
 incentive for organizations to implement a web presence As expressed in the title *Self Service on the Internet Expectations
 and Experiences* we aim to present the expectations or reasons for the availability of various services on the Internet and
 social responses to these developments i e the experiences These are the two main dimensions to the chapters presented in
 this book The major component in the title is self service on the Internet The term electronic commerce is too restrictive for
 our purpose as it tends towards commercial overtones which do not especially concern us **The Rough Guide**, 2009
