the application of a specific strategic process around content marketing is still new The amount of budget that is allotted for new content creation is going to become a significant part of your new media budget And subject matter experts in the organization are going to have new responsibilities It s a transformative new process and it won t happen overnight But it can and should happen Get Content Get Customers showed us the light but there s been no book to show us the way There is an ancient Chinese proverb that says a crisis is simply an opportunity riding the dangerous wind As marketers we now have the opportunity to develop new processes with our marketing strategy power them with content and ultimately keep that wind at our back Successful programs will focus on creating a thoughtful strategy and process to foster this content marketing This book is a detailed how to to build that successful content marketing process
