

Developing a Content Marketing Strategy: **KEY TAKEAWAYS**

A content marketing strategy is different than a content strategy.

There are no universal templates for developing a strategy.

Your strategy should outline your key business and customer needs, and how your content efforts will address them.

Document your content marketing strategy — a verbal strategy is not enough.

Your content goals and mission are critical to success. Internalize them, or post them in your workspace.

Refer to your strategy often, and give it a periodic tune-up.
