Pilates: Full-Body Workouts for a Stronger, Sexier You Jasmine Evans, 2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5 8 ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good on her promise After just 15 20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I ve been doing Pilates ever since and I love it I ve taken classes and I ve done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates Exercises The Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move Double Leg Kick This

move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together Pilates Isabel Eisen,2014-12-15 Illustrated with photographs of a practicing Pilates expert and diagrams that show the muscle groups that get a workout during each featured Pilates exercise this instructional guide has everything a reader interested in Pilates needs to begin crafting their own personalized regimen Beginning with an explanation of what Pilates is and the history of how it was developed and going on to discuss modern principles and equipment this guide emphasizes correct body placement proper breathing techniques and injury prevention Includes a range of basic intermediate and advanced Pilates exercises and numerous step by step workouts to try *THE PILATES BIBLE FOR BEGINNERS* Benjamin Martinez,2024-10-07 Are you ready to become a fitter stronger and happier version of yourself With this book you finally have an effective Pilates workout that you can do from home You ll build strength tone your body improve your posture reduce stress and increase your energy without depending on gym hours You will notice numerous positive changes in your body and mind after a short time With Pilates you feel energized instead of exhausted It strengthens your body and improves your flexibility mobility and core strength This improves your posture and back pain and tension can soon be a thing of the past If you re like most people you ve had trouble sticking to exercise plans in the past But I want you to know that YOU are not the problem The problem is that most workout plans aren t realistic and practical for busy people like us This book is Realistic Children job household there is little time for your own fitness Train when and where you want regardless of of course plans or opening hours Simply Specially designed for anyone who wants to get in shape or get fit but doesn t know where to start You don t have to buy expensive equipment Results In 10 hours you ll feel the difference in 20 hours you ll see the difference and in 30 hours you ll have a new body Joseph Pilates The Pilates Bible for Beginners is the perfect resource for anyone looking to improve their physical and mental health through Pilates Whether you re a complete beginner or a seasoned practitioner this book provides a comprehensive and accessible guide to Pilates that will help you achieve your fitness goals and enhance your overall well being With its detailed chapters step by step instructions and expert advice this book is a must have for anyone looking to transform their body and mind through Pilates The author s vision is to empower as many people as possible to become fit strong and happy Body and spirit must be in harmony then we are fine So why wait Click the BUY NOW button and start your journey towards a stronger healthier you **Pilates for Athletes** Sean Vigue,2018-04-05 The 1 Bestselling Training Manual for Athletes Sean Vigue is a 7 time bestselling author and the most watched yoga and Pilates guy on the planet He s helped millions of athletes transform and strengthen their bodies with mat Pilates and now it s YOUR turn This is the fitness program that male and female athletes of all fitness levels have done to dramatically elevate their athletic ability on EVERY level Whether it s football tennis golf basketball running cycling hockey soccer lacrosse swimming MMA gymnastics dance etc you will massively improve your athletic skills across the board with Pilates for Athletes Training Logs for every major sport are
