Triola, 2000-10-26 **Elementary Statistics Using Excel, Books a la Carte Edition** Mario F. Triola, 2013-02-07 This edition features the exact same content as the traditional text in a convenient three-hole punched loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. From SAT scores to job search methods, statistics influences and shapes the world around us. Marty Triola's text continues to be the bestseller because it helps students understand the relationship between statistics and the world, bringing life to the theory and methods. Elementary Statistics Using Excel raises the bar with every edition by incorporating an unprecedented amount of real and interesting data that will help instructors connect with students today and help them connect statistics to their daily lives. The Fifth Edition contains more than 1,800 exercises, 89% of which use real data and 85% of which are new. Hundreds of examples are included, 91% of which use real data and 84% of which are new. New coverage of Ethics in Statistics highlights new guidelines that have been established in industry. **Elementary Statistics Using Excel** Mario F. Triola, 2007 Together we can raise confidence to a new level. Triola's Elementary Statistics Using Excel Third Edition promotes statistical literacy and critical thinking using Excel as the key tool. This book guides students through the concepts behind the calculations, raising confidence in their ability to do statistics. Elementary Statistics Using Excel Third Edition is a complete introduction to basic statistics featuring extensive instruction on the use of Excel spreadsheet technology for the analysis of data. Topics are presented with illustrative examples, many of which use real data. The text also identifies required assumptions. Extensive Excel instructions are provided along with typical displays of results as well as information about Excel's limitations and alternative approaches to problem solving. The CD-ROM included with each copy of the book contains DDXL Version 2.0, a software add-in that enhances and expands the capability of Excel, and Appendix B data sets in the form of Excel workbooks.
