*Southeast Asian Cartoon Art* John A. Lent, 2014-02-07 This is the first overview of cartoon art in this important cultural nexus of Asia The eight essays provide historical and contemporary examinations of cartoons and comics in Indonesia the Philippines Thailand Cambodia and Vietnam and sociocultural and political analyses of cartooning in Singapore Myanmar and Malaysia The collection benefits from hundreds of interviews with Southeast Asia s major cartoonists conducted by the four contributors as well as textual analyses of specific cartoons on the spot observations and close scrutiny of historical documents All genres of printed cartoon art are studied including political and humor cartoons newspaper comic strips comic books and humor and cartoon periodicals Topics of discussion and comparison with cartoon art of other parts of the globe include national identity the transnational public sphere globalization alternative media forms freedom of expression consumerism and corporatism Southeast Asian cartoon art has a number of features unique to the region such as having as pioneering cartoonists three countries founding fathers comics that gave their name to a national trait some of the earliest graphic novels worldwide and a king who hired a cartoonist to illustrate his books

**Global Manga** Casey Brienza, 2016-03-09 Outside Japan the term manga usually refers to comics originally published in Japan Yet nowadays many publications labelled manga are not translations of Japanese works but rather have been wholly conceived and created elsewhere These comics although often derided and dismissed as fake manga represent an important but understudied global cultural phenomenon which controversially may even point to a future of Japanese comics without Japan This book takes seriously the political economy and cultural production of this so called global manga produced throughout the Americas Europe and Asia and explores the conditions under which it arises and flourishes what counts as manga and who gets to decide the implications of global manga for contemporary economies of cultural and creative labour the ways in which it is shaped by or mixes with local cultural forms and contexts and ultimately what it means for manga to be authentically Japanese in the first place Presenting new empirical research on the production of global manga culture from scholars across the humanities and social sciences as well as first person pieces and historical overviews written by global manga artists and industry insiders *Global Manga* will appeal to scholars of cultural and media studies Japanese studies and popular and visual culture

**Asian Comics** John A. Lent, 2015-01-05 Grand in its scope *Asian Comics* dispels the myth that outside of Japan the continent is nearly devoid of comic strips and comic books Relying on his fifty years of Asian mass communication and comic art research during which he traveled to Asia at least seventy eight times and visited many studios and workplaces John A Lent shows that nearly every country had a golden age of cartooning and has experienced a recent rejuvenation of the art form As only Japanese comics output has received close and by now voluminous scrutiny *Asian Comics* tells the story of the major comics creators outside of Japan Lent covers the nations and regions of Bangladesh Cambodia China Hong Kong India Indonesia Korea Malaysia Myanmar Nepal the Philippines Singapore Sri Lanka Taiwan Thailand and Vietnam
