INTRODUCTION BY ANTHONY G. REDDIE

# God Of The Oppressed

**James H. Cone**

## God Of The Oppressed:

God of the Oppressed James H. Cone, 1997      **God of the Oppressed** James H. Cone, 1977-01-01      *God of the Oppressed* James H. Cone, 1977      God of the Oppressed James H. Cone James H. Cone, 1975      A Black Theology of Liberation James H. Cone, 2010

With the publication of his two early works *Black Theology Black Power* 1969 and *A Black Theology of Liberation* 1970 James Cone emerged as one of the most creative and provocative theological voices in North America. These books which offered a searing indictment of white theology and society introduced a radical reappraisal of the Christian message for our time. Combining the visions of Malcolm X and Martin Luther King Jr Cone radically reappraised Christianity from the perspective of the oppressed black community in North America. Forty years later his work retains its original power enhanced now by reflections on the evolution of his own thinking and of black theology and on the needs of the present moment.

*The God of the Oppressed and the God who is Empty* Jay Byrd McDaniel, 1987      **Where is God?** Christian Duquoc, 1992      **Methodologies of Black Theology** Frederick L. Ware, 2008-02-01

Frederick L. Ware provides a classification and criticism of methodological perspectives in the academic study interpretation and construction of black theology in the U S from 1969 to the present and establishes and recognizes three different schools of academic black theology: The Black Hermeneutical School, The Black Philosophical School, The Human Sciences School. Similarities and differences are delineated in the identification of each school's representative thinkers and their views on the tasks, content, sources, norm, method, and goals of black theology.

Liberating Black Theology Demaine Solomons, Eugene Baron, 2024-02-14

Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum. This edited volume actively engages in these ongoing dialogues specifically addressing the pertinence of a Black theology of liberation within the postapartheid landscape. It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines. In addition to shedding light on the historical importance of Black theology, the late Vuyani Vellem poses a crucial question: What lessons has Black theology yet to learn? This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective. Beyond emphasising the historical context, the volume aims to contribute to broader discussions about social cohesion in South Africa where conflicting socio-political narratives persist. This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology. Its impact spans various levels encompassing the reconsideration of Black theology's influence on race, gender, politics, community development, and more. Ultimately, this volume serves as a catalyst for understanding and reshaping the discourse on Black theology, offering valuable insights for navigating the complexities of theological thought in today's diverse and evolving landscape.

**The Lord of the Psalms** Patrick D. Miller,2013-01-01 In seven readable chapters renowned scholar Patrick D Miller delves into the biblical book of Psalms Miller explores what the psalms can teach us about God our relationship to God and what God wants for us He tackles over a dozen of the most beloved psalms that explore themes of God s existence creation and redemption praise and thanksgiving and grace mercy and justice He approaches the material in various ways sometimes focusing on what a particular psalm can tell us other times examining one theme that flows through several psalms Miller offers a fresh reading of the psalms that will help the reader better understand God in worship and prayer *A History of God's Church from Its Origin to the Present Time* Enoch Pond,1871 *Christology at the Crossroads* Jon Sobrino,2002-11-20 What Gutierrez has done for overall theological understanding what Segundo has done for theological method and what Miranda has done for biblical studies Jon Sobrino has now done for Christology He has provided a substantial and enduring theological contribution from a Third World perspective This book will have long life since it not only argues for the necessity of a Christology from the underside of history but offers an extensive example of how such a Christology should be constructed showing the basic connection between the radical historicity of Jesus and the suffering and pain of oppressed people The thoroughness of the author s survey of other positions the fullness of his documentation and the pervasive power of his own affirmations make clear that *Christology at the Crossroads* will not leave us stranded at the crossroads but will start us down exciting and demanding new paths Robert McAfee Brown Professor of Ecumenics and World Christianity Union Theological Seminary The publication of *Christology at the Crossroads* in English is most opportune It is not only the Christology presented in this book but the Christology of the church at large indeed of the churches that stands at the crossroads at present Those of us who have been working in this field know that in order to break through some deadlocked situations we need a Christology more soberly rooted in soteriology more honestly founded upon the historical Jesus and more realistically turned towards a future yet to be realized Yet in the affluent and basically contented northern nations of the western world this kind of Christology has not so far been written To find it one must turn to the Third World theologians for the present and among these Jon Sobrino s book is a landmark Monika K Hellwig Associate Professor of Theology Georgetown Universit **New Dictionary of Christian Apologetics** Gavin McGrath,2006-04-18 Editors Gavin McGrath and W C Campbell Jack with consulting editor C Stephen Evans offer this one volume resource packed with hundreds of articles on key topics historic figures and contemporary global issues relating to the study and practice of Christian apologetics [King's Speech](#) Sunggu A. Yang,2019-05-23 In the quiet recesses of my heart Dr Martin Luther King Jr often said I am fundamentally a clergyman a Baptist preacher No other statement could identify King better than this Thus the statement is the launching point for this work on preacher King s timeless messages on violence and reconciliation rooted in his theological foundation of the universal yet personal loving God Yang shows how King based on that theological idea vitalizes a pastoral and prophetic preaching voice hoping to create reconciliation in the context of a violent reality This

concise piece is easily accessible yet rich enough to see the continuing impact and applicability of preacher King's  
reconciliatory ideas in the present violent torn apart world that desperately awaits reconciliation
