

The FSA ELA Writing Rubric is a scoring tool that describes the characteristics of a written response for each score point within each domain. The rubric may assist educators with evaluating the strengths and weaknesses of student responses based on the test-based writing prompt/task included in the practice test, as well as responses based on other test-based writing prompts/tasks educators choose to use in a classroom setting.

The FSA ELA Writing tests for Grades 3–10 will be administered online. Grades 4–6 will be paper-based assessments for all students and for students in Grades 7–10 with an IEP or 504 plan that specifies a paper-based accommodation. (Paper-based and online FSA ELA Practice Writing Tests are available on the FSA portal so that students have an opportunity to practice with both administration formats.)
