I Dated This Guy Once ? Toni Rae,2013-09 This is my story no fabrications no bullshit just a small glimpse into the life of a young woman There is a lot to be said about going through the volatile years of ages 18 26 How do we get through them How do we approach our decisions How can we tell the difference between a man with good intentions and a man with a mission to get laid You honestly can t There are so many things that young women must learn on their own No matter how much a father or mother try to protect their children from the world somehow the world happens anyway I Dated This Guy Once is intended to not only entertain you but also to somehow educate you through my experiences We are all made up of our past experiences both good and bad It is these experiences that form the fabric of the future With that said maybe people will start looking at life relationships and marriage differently Maybe perspective is all we need to change this society I have no idea If nothing else you will undoubtedly be entertained Red wine recommended
