Corrected to the first of April, 1805 David STEEL,1805 **Dialogues of Confucius** Confucius,2026-03-10 The first complete English translation of the Dialogues a rediscovered companion to the Analects Labeled a forgery and ignored for centuries the Dialogues of Confucius was nevertheless preserved and passed down through the generations purportedly a companion to the Analects Recent archaeological finds and renewed analysis now suggest that the Dialogues can be accepted as authentic and that it accurately represents the thinking of Confucius on a wide array of topics In this book Brian Bruya and Wenwen Li offer the first complete translation of the text into English as well as a detailed introduction discussing Confucian philosophy the history of the text and the debates around its authenticity This new translation shows that the Dialogues deserves a rightful place next to the Analects In the Dialogues as in the Analects Confucius converses with his students and local potentates The topics range from education to social norms to cosmology and from cultivating individual virtues to instituting a meritocratic government As Bruya and Li argue the main value of the Dialogues lies in its many philosophical clarifications and elaborations At its core it offers a valuable resource for understanding Confucius his interactions with his students and his philosophy Each chapter includes both the original Chinese text and the English translation The introduction includes a philosophical lexicon and a 600 entry glossary at the end of the book provides context from the time of Confucius enabling readers to understand how Confucius viewed his place in the world **Shakespeare's Classical Mythology: A Dictionary** Janice Valls-Russell,Katherine Heavey,2024-10-17 An indispensable guide to the figures places and stories of classical mythology in Shakespeare s works with entries covering early modern usage and critical analysis in a cross disciplinary approach that includes reception textual performance gender and political studies **Merchant Vessels of the United States ...
