Madaras, James M. SoRelle, 1997 Examines some leading issues from the perspective of sharply opposing points of view to show clearly the controversies of a given issue **Taking Sides : Clashing Views on Moral Issues** Stephen Satris, 2008

Science, Technology, and Society Sal Restivo, 2005-05-19 Emphasizing an interdisciplinary and international coverage of the functions and effects of science and technology in society and culture Science Technology and Society contains over 130 A to Z signed articles written by major scholars and experts from academic and scientific institutions and institutes worldwide Each article is accompanied by a selected bibliography Other features include extensive cross referencing throughout a directory of contributors and an extensive topical index **Taking Sides**, 1986 **Lifting the Scientific**

Veil Paul Sukys, 1999 Lifting the Scientific Veil has been written to afford the nonscience student the same meaningful opportunity to explore germane scientific topics as is generally given the science student to learn about the humanities and social sciences Since nonscientists are generally responsible for making laws financing research or at the very least for voting it is essential that they understand the significant impact that science has on everyday life The book is designed to introduce nonscientists in an informative and comprehensible manner to four of the most significant scientific theories of the

twentieth century the big bang quantum physics relativity and evolution After each theory is explained informally the book shows how that theory and related technology impact upon one s personal life Legal and political aspects of these theories are explored as well as philosophical and theological implications *Taking Sides: Reconstruction to the present* Eugene Kuzirian,Larry Madaras,1987 Taking Sides: The colonial period to Reconstruction Eugene Kuzirian,Larry Madaras,1987 **Using Global Studies in the Classroom** Dushkin Publishing Group,1990
