The Best Intentions (A Regency Romance) Candice Hern, 2011-07-27 Readers who enjoy the traditional Regency Romances of Georgette Heyer Barbara Metzger and Carla Kelly will enjoy this witty Regency romp by New York Times bestselling author Candice Hern The Earl of Strickland is a handsome widower in search of a new wife to be a mother to his two young children Having lost his one true love he is determined on a practical dispassionate match with a mature woman Young girls in their first Seasons their heads full of romantic notions of love are not for him When his sister comes to visit bringing along a beautiful widow Miles thinks he may have found the perfect match But the widow is chaperoning her gauche much younger sister an artless girl who causes Miles's best intentions to go awry as he finds himself falling in love with precisely the sort of woman he sought to avoid Set at a grand country estate in the Midlands this sweet love story of the reserved and dignified Miles and the delightfully guileless clumsy outspoken Hannah is sure to charm readers With fresh crisp characterization and unerring romantic sensibility Ms Hern brings to joyous life all the wonder of falling in love in this deceptively simple impeccably crafted keeper for the heart Romantic Times This is one Jane Austen herself would enjoy Rendezvous Don't miss THE BEST INTENTIONS Candice Hern has crafted a joyous passionate tale full of life and laughter one that readers will savor long after the cover is closed The Romance Reader Tamed by a Texan Tanya Michaels, 2012-04-01 Grace Torres has a lot to lose And the Texas Hill Country restaurateur isn't letting Ty Beckett steal her thunder He may be the Lone Star State's most famous bachelor chef but Grace has a family legacy to save She'll do whatever it takes to keep her beloved restaurant afloat even go head to head in a reality TV cook off only one of them can win Growing up dirt poor just made Ty more determined to succeed But he's facing some stiff competition Grace may be the only female alive who sees past Ty's footloose facade and charming one liners She's also igniting more heat than a Mexican jalapeño Walking away with first place could give Ty everything he ever wanted It could also make him lose the one woman who's ever come close to taming this culinary cowboy *No Voice is Ever Wholly Lost* Louise J. Kaplan, 1995 In this inspirational book Louise J Kaplan the critically acclaimed author of *Oneness and Separateness* and *Adolescence* takes the experiences of separation and loss beyond the conventional stages of mourning to illuminate the psychological forces that sustain the dialogue between parents and children even after death Based on insights gleaned from her own experience as a psychoanalyst as well as from cases of lost parents and children in art literature and recent history Dr Kaplan illustrates the ways in which this dialogue the human dialogue is the heartbeat of our existence Through the gestures of everyday life a parent imparts to a child first the emotional expression then the verbal language and finally the symbolic communications of humankind that enable one to participate in society Once we're engaged in the human dialogue Dr Kaplan explains we cannot live without it When this dialogue is silenced by death or separation we are by nature compelled to invent various life scenarios to reconnect with the lost one These efforts which are usually unconscious lead people to gradually assimilate

certain aspects of the lost beloved into their own self often resulting in devastating acts of self destruction or great artistic achievements Long after the return of logic and reason long after we rejoin the world of the living we are still attached to our lost ones Dr Kaplan writes The human dialogue that which makes living a life worthwhile goes on In the absence of this dialogue we are lost Filled with moving true life experiences of parents and children who have loved and lost No Voice Is Ever Wholly Lost is a book for anyone who wishes to know himself better Personal and redemptive it is a book that will encourage and help you grow beyond your own loss to a new strength of spirit BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Registers of St. Botolph, Bishopsgate, London** London (England).
