Ap Environmental Science Chapter 15:

Environmental Science for the AP® Course Andrew Friedland, Rick Relyea, 2019-02-06 Environmental Science for the AP Course was built from the ground up specifically to suit the needs of AP environmental science teachers and students. Friedland Relyea integrates AP content and exam prep into a comprehensive college level textbook providing students and teachers with the resources they need to be successful in AP Environmental Science. Features throughout the textbook include AP Exam Tips, math tutorials, and review questions, and complete AP Practice Exams. Strong media offerings include online homework to provide just in time feedback as well as adaptive quizzing. Environmental Science for the AP course provides students with the support they need to be successful on the AP Environmental Science exam and in the college classroom.

AP Environmental Science Crash Course Gayle Evans, 2011-10-01 REA's AP Environmental Science Crash Course is the first book of its kind for the last minute student or any AP student who wants a quick refresher on the course. Written by an AP Environmental Science teacher, the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Environmental Science exam. The easy to read review chapters in outline format cover everything AP students need to know for the exam: human population dynamics, managing public lands, energy conservation, changes in Earth's climate, species extinction, loss of biodiversity, and more. The author also includes must know key terms all AP students should know before test day. With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author provides key strategies for answering the multiple choice questions so students can build their point scores and get a 5.
