Brindle, 2010-01-09 God is truly moving today in power This training program provides both instructional and spiritual insights on how to start a healing ministry Many church leaders today have a deep desire to have a healing ministry but are often not sure just how to start one This three session training guide is brief but very thorough in providing insights into the different mind sets in the church today concerning God's Spiritual Gifts Knowing our authority as Christians and walking in the anointing of the Holy Spirit is key to breaking the chains of physical spiritual and emotional bondage As a minister of healing and deliverance I can with certainty say that serving as a team in full unity under the authority of God is key to seeing the powers of darkness bow at the name of Jesus Jesus gave all Christians the authority to heal the sick cast out demons and raise the dead

Confessions of a Codependent Jacqueline Williams, 2006-08. After enduring more than her share of codependent relationships, author Jacqueline Williams knew she needed to change her behavior patterns. Through a great deal of soul-searching therapy and prayer, Williams came to understand her codependency and how to eradicate it from her relationships. Written especially for women, *Confessions of a Codependent: How to Identify and Eliminate Unhealthy Relationships* defines codependent relationships, explains why they are so self-destructive, and explores why these relationships can at times lead to physical violence. *Confessions of a Codependent* shares other women's stories of codependent, abusive, and/or dysfunctional relationships, as well as the ways these women were able to leave them and move on to healthier partnerships. *Confessions of a Codependent* also includes practical advice on how to recognize signs that your relationship may be heading toward emotional and/or physical abuse, how to move away from self-defeating and self-destructive behaviors, and resources that you can use to escape a codependent relationship. If you're struggling in your current relationship and feel trapped by codependency, break the cycle with *Confessions of a Codependent*.
