Pro Credit Score Improvement For Moms:

Mom's Got Money Catherine Alford, 2021-04-20 Mom's Got Money is a mother's guide and instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money. Alford won't pretend mothers don't have a lot on their plate. She already knows they're pressed for time. The weight of their daily decisions takes a toll. Sometimes it feels like they manage everything, whether they have a supportive spouse or not. She knows this because it's that way in her house too. However, we all have a choice on how to handle that responsibility, and Alford thinks we can flip the script. Instead of being frustrated or feeling resentful, Alford teaches moms how to recognize their own strengths and develop true financial confidence. Once readers master Alford's money lessons, they'll start to truly enjoy money. Vacations are more fun when they're already planned and paid for. Christmas shopping is a breeze when you have a fully funded holiday spending account. Never worry about the worst that can happen because you have a fully funded emergency fund and life insurance. Feel in control of your bills, caught up and with room to spare. In this book, you'll learn how to become an exceptional leader of your family with a growth mindset. Calculate your net worth. Effectively budget and manage your household cash flow. Work with your spouse or partner on financial goals. Understand what impacts your credit score. Ensure you pay all your bills on time every time. Make sure you plan for emergencies. Protect your family by buying term life insurance. Do the math on childcare costs vs. career costs when having a family. Plan and save for holiday spending, birthdays, and special events. Learn the art and joy of giving. Ideal for moms everywhere, but especially new and millennial moms. *Mom's Got Money* is an indispensable guide to taking financial control of your life. **Custom Version of Your Credit Score** Liz Pulliam

Weston, 2005-05-16 Today a good credit score is essential for getting decent terms on credit or for getting credit at all. But that's just the beginning. You're now being judged on your credit score by everyone from employers to cellphone carriers. Now MSNBC L.A. Times journalist Liz Weston has thoroughly updated her best-selling guide to credit scores with crucial new information for protecting or rebuilding yours. *Your Credit Score* Fourth Edition thoroughly covers brand new laws changing everything from how your credit score can be used to how you can communicate with collectors. This edition also adds simple graphics revealing exactly how much skipped payments, bankruptcies, and other actions will lower your scores and how long it takes to rebound. You'll find new information on FICO alternative scores, expanded coverage of short sales, foreclosures, the new FICO 8 Mortgage Score, and when to walk away from a mortgage. Guidance on protecting yourself against new credit risks from social networking and mobile banking, expanded coverage of credit scoring by insurers, and an all-new chapter on safeguarding against unethical or illegal use of credit scores by employers. Weston updates her expert guidance on using FICO 08 to raise your score, fighting lower limits and higher rates, maintaining the right mix of cards and balances, bouncing back from bad credit, choosing credit solutions that help, not hurt, and much more. *101 Powerful Tips For Legally*
