CHAMBERLAIN UNIVERSITY

ACADEMIC CALENDAR

Chamberlain University operates on a student-centric calendar (SCP). Each semester consists of 16 weeks of instruction and exams; classes are scheduled in two eight-week sessions each semester. An individual's SCP is based on his/her initial enrollment date into a degree seeking program or on the date studies are resumed following readmission to the University. This results in two overlapping calendars referred to as "cycles." The two overlapping calendar cycles designate months corresponding to Chamberlain's summer, fall and spring semesters.

The following chart outlines how months of the year correspond to a student's spring, summer and fall semesters, based on the assigned SCP cycle – each session ends on Saturday of week eight.

Semester	Cycle 1	Cycle 2
Summer	May and July	July and September
Fall	September and November	November and January
Spring	January and March	March and May

Academic Calendar – Cycle 1

Sunday	August 14	Last day to withdraw from science**, nursing and health professions courses***
Friday	August 19	Last day to withdraw from general education and science elective courses***
Saturday	August 27	July session ends

* Classes do not meet on the holidays recognized on this calendar. For student's convenience, the online classes will remain open.

** Science elective courses use the general education last day to withdraw policy.

*** Last day to withdraw refers to the last date that the student may withdraw from a class and receive a grade of "W" for science, nursing and health professions courses or a grade of a "W" for general education or science elective courses using the "N" suffix designator. The last-day to withdraw from all classes and receive a refund varies.
