Asset Recovery Handbook A Guide For Practitioners:

Asset Recovery Handbook Jean-Pierre Brun,2011 *Income and Asset Disclosure* World Bank,2013 A companion volume to Public Office Private Interests Accountability Through Income and Asset Disclosure **Orders Without Borders** Stefano Betti,Vladimir Kozin,Jean-Pierre Brun,2022-06-15 This book offers an in depth analysis of the concept of the direct enforcement of foreign restraint and confiscation orders a crucial step in the process of asset recovery including existing legal approaches and related challenges In order to provide a balanced and informed overview 31 jurisdictions representing different United Nations regional groups and legal systems civil law common law mixed systems were selected as the focus of the analysis This approach provides a meaningful picture of the situation worldwide from which generally applicable guidance could be drawn The study suggests a series of practical steps and good practices for consideration by 1 countries exploring the possibility of introducing a direct enforcement mechanism into their domestic legal frameworks and 2 countries that are already in a position to directly enforce foreign confiscation orders but that are considering options to streamline processes and maximize results obtainable via direct enforcement approaches This new StAR Initiative knowledge product is addressed to a broad range of law enforcement justice and asset recovery practitioners as well as bodies involved in legislative and regulatory processes It will be a useful tool in their work *Few and Far The Hard Facts on Stolen Asset Recovery* OECD,The World Bank,2014-09-11 Drawing on data collected between 2006 and 2012 the report provides recommendations and good practices regarding stolen asset recovery and suggests specific actions for development agencies

Asset Recovery Handbook The World Bank,2021 The Asset Recovery Handbook is a practical tool to help policymakers public officials and those who have been entrusted with recovering stolen assets by informing them on how to pursue proceeds of corruption and navigate the challenges of international asset recovery **Asset Recovery Handbook** Jean-Pierre Brun,Anastasia Sotiropoulou,Larissa Gray,Clive Scott,Kevin M. Stephenson,2020-12-10 The Asset Recovery Handbook is a practical tool to help policymakers public officials and those who have been entrusted with recovering stolen assets by informing them on how to pursue proceeds of corruption and navigate the challenges of international asset recovery **Few and Far** Larissa Gray,Kjetil Hansen,Pranvera Recica-Kirkbride,Linnea Mills,2014-08-29 STAR Stolen Asset Recovery Initiative The World Bank UNODC [Going for Broke](#) Jean-Pierre Brun,Molly Silver,2019-10-06 [Going for Broke](#) is a practical tool to help policy makers public officials and those who have been entrusted with recovering stolen assets by informing them of how insolvency tools can be used to recover proceeds of corruption *Left Out of the Bargain* Jacinta Anyango Oduor,Stolen Asset Recovery Initiative,2014 It is a conservative estimate that every year through corruption between 20 billion dollars and 40 billion dollars are diverted from developing countries and find safe haven in foreign jurisdictions In several countries that are party to the Organization for Economic Co operation and Development OECD anti bribery convention a very high proportion of cases of foreign bribery and related offenses have been resolved short of a full

trial Anticorruption practitioners and policy makers in countries where officials were allegedly bribed have along with other interested stakeholders therefore raised concerns about whether settlements might impede their own criminal or enforcement investigations and affect the liability of multinational companies in third countries This study seeks to fill knowledge gap by i informing policy makers and practitioners about the frameworks for settlements in various legal systems ii examining settlements in practice and their implications for international cooperation and iii analyzing how settlements relate to asset recovery in foreign bribery cases An additional goal is to inform the general public including civil society organizations about these frameworks This study describes and analyzes both qualitatively and quantitatively settlements in cases of foreign bribery and related offenses and their implications for international cooperation and asset recovery This report is structured as follows chapter one adopts a broad definition of settlements as various procedures short of trials and analyzes the legal frameworks in a number of civil and common law countries Chapter two traces the general trends and developments in settlements and considers the rationale for settlements Chapter three analyzes the impact of settlements in one jurisdiction on pending and future investigations in other countries Chapter four explores the link between asset recovery and settlements through the lens of United Nations Convention against Corruption UNCAC Chapter five offers conclusions Chapter six presents detailed summaries of 14 significant cases

A Resource Guide on State Measures for Strengthening Business Integrity OECD,United Nations,2024-03-26 Where anti corruption efforts were previously the domain of governments the private sector has increasingly become an essential actor representing a significant paradigm shift from the early days of anti corruption policy development This Resource Guide provides States with a framework for identifying and implementing an appropriate mix of sanctions and incentives for encouraging business integrity It reflects the latest developments in the global anti corruption landscape and contains case studies that serve to share information and practices and provide inspiration to States and the private sector

Syracuse Journal of International Law and Commerce ,2012 **Resource Material Series** ,2013 **Foreign Investment, Law and Sustainable Development** Lorenzo Cotula,2014 Foreign investment in agriculture and extractive industries is increasing pressures on land and natural resources This handbook is about how to use law to make foreign investment work for sustainable development It aims to provide a rigorous yet accessible analysis of the law regulating foreign investment in low and middle income countries what this law is how it works and how to use it most effectively Because several legal arenas are relevant to any given investment project the handbook takes an integrated approach that cuts across areas of law typically treated in separate literatures including investment treaties extractive industry legislation land tenure human rights environmental legislation and tax law For both government and civil society the strategic use of a variety of legal tools is critical in harnessing the full potential of law This book aims to support government officials in low and middle income countries in their management of foreign investment for sustainable development and to support civil society efforts to influence decisions and hold government and
