Authenticity Of Salah:

Performing Salah Using the Prophetic Example (Black and White) M. Mushfiqur Rahman, 2015-04-17 BOOK

DESCRIPTION Pray as you have seen me praying Prophet Muhammad s Bukhari This book describes the performance of the salah the Islamic prayer based on the Prophetic example It is perhaps the first attempt in the English language that collects all the authentic hadiths on each aspect of the performance of the salah be that a physical movement or what is recited in it then groups them together allowing the reader to see the exact practice of the Prophet s Each aspect was dealt with in a thorough manner without any preconceived opinion so that the reader is satisfied that the conclusion arrived on a given topic is what becomes naturally evident from the comprehensive evidence that is presented Additionally having all the sahih hadiths in front of him/her helps the reader to see which actions in the salah may be done in one most authentic way which ones in multiple ways and when there are choices which option was more commonly practiced by the Prophet s The main book is intended for the serious students who seek in depth evidence for each topic while the Summary Edition is a simple to read small book that is designed for the common Muslims who only want to know the final conclusions with minimal supporting evidence

REVIEWS For those who desire to know how to pray based on the Prophetic example this book will provide them with that guideline and the confidence that they will be making salah in the way the Messenger of Allah s prayed

IMAM MOHAMED MAGID Former ISNA President This book systematically categorizes various aspects of the performance of the salah and brings together the authentic hadiths from the six most authentic books of hadiths that are available on each topic I hope that it will benefit many people in their efforts to emulate the salah of the Prophet salla allahu alaihi wa sallam as best as possible

SHAYKH ABDELMONIEM ELAMIN Tooba University The book cites many hadiths and narrations by the sahabah in a very organized fashion enabling a reader to easily find any topic related to the performance of the salah What makes it unique however is that throughout the book the author focused on the authentic evidence from the original sources I highly recommend this book to all the Muslim brothers and sisters around the globe whether they already know how to make salah properly or still learning to do so

Authentication of Hadith

Israr Ahmad Khan,2010-01-01 In today s complex and volatile world the consequences of relying on fraudulent and

counterfeit Hadith to legitimize extremist behavior issue violent fatwas and justify blatant abuse particularly of women is not only far too easy but in fact dangerous Israr Khan addresses the sensitive topic of Hadith authentication focusing on the criteria adopted by classical scholars to maintain that concentration on the continuity and accuracy of the chain of narrators rather than the textual content of Hadith has led to particular Hadith being included which either contradict other Hadith directly project the Prophet SAAS in an uncharacteristic light or do not reflect and or conflict with the teachings of the Qur'an The study traces in careful detail the historical development of the oral and written traditions as well as the many targeted attempts at fabrication that took place critiquing in methodical detail certain Hadith which have come to be widely accepted as authentic The prominent collections we have today were made possible by the development of the science of Hadith criticism and Muslim scholars deserve deep appreciation for their painstaking work as well as their invaluable contribution towards preserving the Hadith literature to the best of their ability However insists the author the process is ongoing and the closed door policy which currently surrounds Hadith authentication needs to be carefully reexamined
