Dad Tired and Loving It Jerrad Lopes,2019-09-03 Do You Want to Be a Spiritual Leader Start Here Have the day to day realities of being a dad and husband left you frustrated or just plain worn out You re not alone Jerrad Lopes felt that way too until he started blogging about his struggles and discovered thousands of other men who want

to be good husbands and fathers but don't know where to start. You will learn that spiritual leaders realize their story isn't the story it's all about Jesus, point their wives, children, community, and world toward God, stumble their way through spiritual leadership rather than doing nothing, seek humility rather than striving for perfection, refuse to let their sin and shame stop them from leading their family, look for adventure in the kingdom of God, not in the world, create gospel-centered memories with their wife and children. When you begin to understand the bigger picture of God's purpose for you in your marriage and family, you'll see that the good news of Jesus makes it possible for you to love and lead without fear and discouragement. Get equipped and encouraged as you become the man God is calling you to be, even when you're dad-tired. *This Time Next Year* Nathan Howells, 2021-12-01. This Time Next year is the story of how one ordinary guy prepared to run a marathon. It's about everyday conversations about goals and ideas and takes the reader through the journey to fulfil a personal goal. This book is not about supreme fitness or a new approach to nutrition or an extreme sporting adventure. It will not offer insights to everyone or big surprises but it is a story of focusing on a personal goal, breaking down the key things that will make it work and dedicating until the end. Hopefully it will bring some help, maybe some inspiration but definitely it tells the everyday person's approach to running a marathon from scratch. **Book Review Index**, 2001.
