Ethical Leadership and Decision Making in Education Joan Poliner Shapiro, Jacqueline A. Stefkovich, 2016-01-08 The fourth edition of the best selling text Ethical Leadership and Decision Making in Education

continues to address the increasing interest in ethics and assists educational leaders with the complex dilemmas in today's challenging and diverse society. Through discussion and analysis of real-life moral dilemmas that educational leaders face in their schools and communities, authors Shapiro and Stefkovich demonstrate the application of the four ethical paradigms: the ethics of justice, care, critique, and profession. After an illustration of how the Multiple Ethical Paradigm approach may be applied to real dilemmas, the authors present a series of cases written by students and academics in the field representing the dilemmas faced by practicing educational leaders in urban, suburban, and rural settings in an era full of complications and contradictions. Following each case are questions that call for thoughtful, complex thinking and help readers come to grips with their own ethical codes and apply them to practical situations. New in the Fourth Edition: A new chapter on technology versus respect focusing on ethical issues such as cyberbullying and sexting; New cases on teachers with guns, the military and education children of undocumented immigrants, homeless students, videos in bathrooms, incentive pay for first responders, private alternative high schools, verbal threats, and gaming etiquette. Updates throughout to reflect contemporary issues and recent scholarship in the field of ethical leadership. This edition adds teaching notes for the instructor that stress the importance of self-reflection, use of new technologies, and global appeal of ethical paradigms and dilemmas. Easily adaptable to a variety of uses, this book is a critical resource for a wide range of audiences, including both aspiring and practicing administrators, teacher leaders, and educational policy makers.

How Good People Make Tough Choices Rev Ed

Rushworth M. Kidder, 2009-11-24. Should you take a much-needed vacation or save money for your children's education? Should you protect the endangered owl or maintain jobs for loggers? The right vs. right dilemmas in which neither choice is clearly or widely accepted as wrong many times present obstacles that call for value-based decisions. Rushworth Kidder, the founder of the Institute for Global Ethics, teaches humans to think for themselves in order to resolve any ethical dilemma, from the personal to the philosophical. A thought-provoking guide to enlightened and progressive personal behavior. Jimmy Carter. *Business Ethics*. Mark S. Schwartz, 2017-02-21. *Business Ethics: An Ethical Decision-Making Approach* presents a practical decision-making framework to aid in the identification, understanding, and resolution of complex ethical dilemmas in the workplace. Focuses exclusively on three basic aspects of ethical decision-making and behavior: how it actually takes place, how it should take place, and how it can be improved. Uses real-life examples of moral temptations and personal ethical dilemmas faced by employees and managers. Discusses the biases, psychological tendencies, moral rationalizations, and impact of self-interest as impediments to proper ethical decision-making. Includes relevant examples of ethical misconduct and scandals appearing in the news media. [Ethics and Deviations in Decision-making](#). Gagari Chakrabarti, Tapas Chatterjee, 2019-11-20. This book explores how the ethically inconsistent behaviour in workplaces can be rooted in moral fibers of the decision makers and/or in their varying moral foci depending on the philosophical cornerstones on which those rest. It explores further whether such decisions may be shaped or modified by contextual factors leading possibly to bounded

ethically Based on a primary survey approaching the academicians administrators and other service holders from India and abroad it analyses the problem its determinants and variations across socio economic and demographic factors Business Ethics O. C. Ferrell,1994 Attempts to prepare readers to make informed ethical decisions Provides an overview of moral philosophies and decision making processes *Values and Ethics in Counseling* Dana Heller Levitt,Holly J. Hartwig Moorhead,2013-06-26 Many counselors learn about ethics in graduate school by applying formal step by step ethical decision making models that require counselors to be aware of their values and refrain from imposing personal values that might harm clients However in the real world counselors often make split second ethical decisions based upon personal values *Values and Ethics in Counseling* illustrates the ways in which ethical decisions are values but more than that it guides counselors through the process of examining their own values and analyzing how these values impact ethical decision making Each chapter presents ethical decision making as what it is a very personal values laden process one that is most effectively illustrated through the real life stories of counselors at various stages of professional development from interns to seasoned clinicians who made value based decisions Each story is followed by commentary from the author as well as analysis from the editors to contextualize the material and encourage reflection *Ethical Decision Making: Introduction to Cases and Concepts in Ethics* Lisa Newton,2014-07-08 This short introduction to the discipline of Ethics in its practical and professional applications teaches in simplest form the discipline s vocabulary and forms of reasoning It includes illustrative cases clear explanations of philosophical terminology and presents decision procedures appropriate to a hierarchy of cases It is meant to be a foundation for elementary work in Ethics
