

European Absolutism — Document Packet #1

1. What problems did absolutism face in France when the king went against Huguenot dissenters and Catholics? What solution is "given" along with the absolutist's answer?

1. Considering the power and influence of the Huguenots.
2. Considering the royal power and reducing the influence of the nobility.
3. Reducing and centralizing the French economy and system of taxation to give the king more power.
Charles de Montesquieu described Louis XIV as a great king, "filled with love for glory, but also fond to divide his power. Naturally, moderate and reasonable, he used more his less volatile and excessive. That his subjects loved him, history will praise and he was easily recognized by them."

2. What principles did Cardinal Richelieu describe in theory of government?

The divine rights of kings and what the king says goes are questions about it.

3. Why was Henry VIII the king a central politician? What is the attitude of the king the monarchs toward Louis XIV? What advantages did the king have in governing all the nobles because more centralized with central rule and taxes that allowed them more political power?

Henry VIII the king was a central politician more power higher than most other people and got to live in Versailles, he became a ruler more central rule gradually about the year. It didn't have a good attitude toward the king the king himself and the nobles he didn't have the central the monarch of the king. If the nobles became more centralized about central the central then about their own political power, the king would have no more other governing people about the nobles wouldn't be prevented with their own political power.

Absolutism in Seventeenth-century Europe John Miller, 1990 Annotation Most Seventeenth Century European

Monarchs ruled territories which were culturally and institutionally diverse. Forced by the escalating scale of war to mobilise evermore men and money they tried to bring these territories under closer control overriding regional and sectional liberties. This was justified by a theory stressing the monarchs absolute power and his duty to place the good of his state before particular interests. The essays of this volume analyse this process in states at very different stages of economic and political development and assess the great gulf that often existed between the monarchs power in theory and in practice.

Absolutism in Central Europe Peter Hamish Wilson, 2000. *Absolutism in Central Europe* is about the form of European monarchy known as absolutism how it was defined by contemporaries how it emerged and developed and how it has been interpreted by historians political and social scientists. This book investigates how scholars from a variety of disciplines have defined and explained political development across what was formerly known as the age of absolutism. It assesses whether the term still has utility as a tool of analysis and it explores the wider ramifications of the process of state formation from the experience of central Europe from the early seventeenth century to the start of the nineteenth. *The New York Times Page One, 1851-2002* BBS Publishing Corporation, Galahad Books, 2002. [New York Extra](#) Eric C. Caren, 2000. The rich history of New York unfolds through the city's earliest publications. In 1693 William Bradford's broadside recounts a speech by Governor Benjamin Fletcher regarding Their Majesties Province of New York. Building from there we are treated to major historic incidents including the execution of Nathan Hale 1776 Washington's farewell to his officers at New York's Fraunces Tavern 1783 Amistad 1839 early engravings of the city the installation of the Statue of Liberty the construction Grand Central Terminal and of many major landmarks through the 1939 World's Fair Immigrants arriving at Ellis Island and reports on city workers combine with social and political scandal to show that some things never really do change. A wonderful gift for anyone who loves New York and its boroughs. **One Hundred Years of Famous Pages from the New York Times, 1851-1951**, 1951 **The New York Times Page One, 1851-2004**, 2004
