Later units also reinforce material taught in earlier ones. Key features include clear accessible format, many useful language examples, jargon-free explanations of grammar, abundant exercises with a full answer key, notes on the Polish alphabet, pronunciation and stress, Polish-English vocabulary, subject index. This second edition has been revised to include updated examples and explanations. It also offers five new appendices containing a comprehensive summary of grammar functions, guidance on studying an inflected language, and helpful information on question words, the important verbs *być* and *mieć*, and perfective and imperfective verb aspects. Written by an experienced language teacher and author, *Basic Polish* is the ideal introduction to the structures and expressions most widely used in spoken and written Polish. It is suitable for both independent use and classroom study.

Intermediate Polish Dana Bielec, 2004 *Intermediate Polish* is designed for learners who have achieved basic proficiency and wish to progress to more complex language. Polish--an Essential Grammar Dana Bielec, 1998 *Polish An Essential Grammar* is a reference guide to the most important aspects of current Polish as it is used by native speakers. It presents a fresh and accessible description of the language, focusing on genuine patterns of use in the modern language. It is suitable for both independent study and for students in schools, colleges, universities, and adult education classes.
