

## Human Resource Management

**Human Resource Planning Journal****a) Summary of the journal**

In the early discussion of human resource of planning defined as "the process through which management determines how the organization should move from a current manpower arrangement to a more desired arrangement". Aim of the HRP is right number and right kind of employees, at the right place and right time to have good result of an effective organization. Modern HRP concern the forecasting of the organization's for the future and the planning required to meet those needs. It also requires the development and implementation of certain programs such as staffing and training to make sure the people present with proper skills and traits according to their job task. HRP also involves data collecting which can be used to evaluate program effectiveness and give notice when revision is needed. Objective of planning is to facilitate organizational effectiveness, so it must be intergrated with the organizational business goals. The process of HRP is comprised with the following steps;

**a) Assessing the current human resource capacity**

The knowledge, skills, and, abilities of current employees need to be identified. The skills are important for particular positions. They also have to list down all the skills demonstrated by each personnel. Education level and certificates or additional training should be included. Once the assessment done, it can reviewed to confirm are that particular personnel ready to accept the job obligation or not.

**b) Forecasting Human resource requirements**

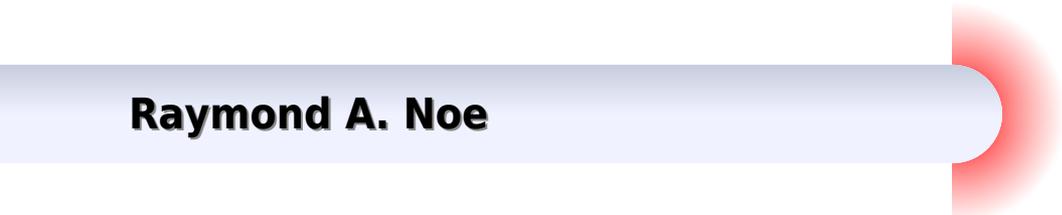

Realistic forecast of human resource involves the estimation of both supply and demand. Three important forecasting question are:

- How man faculty and staff will be required to achieve the strategic goals.
- What jobs need to be filled.
- What skills and credentials will people need.

When forecasting the possible of the HR, it also will show us the challenges the organization going to meet from external environment and keep focus on impact might get from external environment. Modelling and forecasting will provide more information about the effect of HR strategies that can support organizational goals. The model that chosen should be clear enough so it will be understandable by the management and chances to have good results are high.

## Human Resource Planning Journal Introduction

In the digital age, access to information has become easier than ever before. The ability to download Human Resource Planning Journal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Human Resource Planning Journal has opened up a world of possibilities. Downloading Human Resource Planning Journal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Human Resource Planning Journal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Human Resource Planning Journal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Human Resource Planning Journal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Human Resource Planning Journal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Human Resource Planning Journal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
