Data protection in the context of covid-19. A short (hi)story of tracing applications Elise Poillot, Gabriele Lenzini, Giorgio Resta, Vincenzo Zeno-Zencovich, 2021-11-13 The volume presents the results of a research project named Legafight funded by the Luxembourg Fond National de la Recherche in order to verify if and how digital tracing applications could be implemented in the Grand Duchy in order to counter and abate the Covid 19 pandemic This inevitably brought to a deep comparative overview of the various existing various models starting from that of the European Union and those put into practice by Belgium France Germany and Italy with attention also to some Anglo Saxon approaches the UK and Australia Not surprisingly the main issue which had to be tackled was that of the protection of the personal data collected through the tracing applications their use by public health authorities and the trust laid in tracing procedures by citizens Over the last 18 months tracing apps have registered a rise a fall and a sudden rebirth as mediums devoted not so much to collect data but rather to distribute real time information which should allow informed decisions and be used as repositories of health certifications DOI 10 13134 979 12 5977 055 4 *Copyright Class Struggle*

Do you ever just feel stuck? This book was designed to help dig you out of a blogging rut and inspire new ideas. Whether you're just getting started with your blog or you're a seasoned blogger, 365 Blog Topic Ideas For The Lifestyle Blogger Who Has Nothing to Write About is the one book you should keep close by. Containing an entire year's worth of actual blog topics that can be adapted by a wide variety of lifestyle blogs, this easily formatted book will help you fall in love with writing all over again.

FROM THE AUTHOR 365 Blog Topic Ideas is a book I wrote to help you feel a little more inspired when you're feeling stuck for content. You literally get an entire year's worth of ideas that you can mix in with your own regular content whenever you feel the desire. My goal is to help you become unstuck and spark a little creativity. Being a lifestyle blogger could mean something different for many of us. Some of us blog about our home lives, some about cooking or beauty or fashion. I tried my best to make these topics appeal to a large group of different niches and I think it's fairly easy to adapt them to your own blog demographic if you need to. I also included different types of topics to help your readers get to know you and also increase the share quality of your posts because I think that both are super important in building a following as well as traffic. From my research and experience, certain types of posts get more shares than others, so I've made sure to include handfuls of those in this book. You can jump into the book at any page in no particular order, whether you're just getting started with your blog or not. You can use the topics as is or even get a little creative and add your own spin on them. Enjoy your blogging journey. Dana Fox
