James Bond Cold Reading Downlaod:

The James Bond Cold Reading Julian Moore, The James Bond Cold Reading is a whole new take on the twelve lines of the Classic Reading made so popular from the 50 s to the present day Julian Bev Moore shows you how this much discussed but seldom used powerful cold reading technique can be applied effectively and memorised in no time at all using characters such as James Bond that you already know and love Forget about learning stock lines and never using them using the proven techniques in The James Bond Cold Reading you can learn to speak in you own words and amaze people by how much you know about them using one of the most misunderstood tools of mentalism the character reading By bringing a modern slant to an old technique Julian Bev Moore proves once again that that the old ones are the best if only we knew how to apply them If you re not a fan of stock lines and think that learning them is a waste of time this ebook could seriously change your mind

REVIEWS I got Julian s book and it is wonderful It is a great system for doing a reading and extremely practical I applaud Julian and highly recommend this Richard Osterlind First palmistry now general Forer Barnum 101 this guy really amazes me Craig Browning Julian has taken the Classic Reading which isn t out of date as some would suggest and applied a James Bond theme to its LEARNING not to the reading itself to make the reading s customization so much easier It s ingenious simple and thought inspiring all at the same time Buy this now and start using it right away R Lee Davis I have tried many times to learn the stock lines of cold reading I ve tried memory techniques linking the peg system and even with all that everything seemed a confusing repetitive mess Because of Julian s system in two days I have learned to give a cold reading forward backward inside out and in my own words Just as with Julian s palmistry book saved me about five years of study this book is just as good and also very interesting If you re interested in cold reading at all this will be the best money you ll ever spend As a side note his system could be applied to anything else you might want to memorize and make your own I have never heard of his techniques before and I have studied a lot of memory techniques It s so easy I will add this to my readings repertoire Scott Martisse So I m finally watching the new Casino Royale and lines from the James Bond Reading keep popping unbidden into my head What makes this interesting is I hadn t really intended on learning the reading via James Bond but via a character I know more about I followed Julian s suggestions to practice readings aloud even to inanimate objects After a bit of this I tried the real deal This isn t something you can do mechanically at least if you want to get maximum effect and responses It is a matter of a give and take that is entrancing in its impact I can t wait to see what more experience will bring Thank you Julian you really have made a significant contribution Your ability to simplify and teach is exceptional I generally rely on my knowledge as a psychologist to add a bit of reading but it wasn t anywhere as powerful as applying this system Folks don t just read JBR Get out there and use it Dr Bill Cushman OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning Graphology The Art Of Handwriting Analysis Speed Learning Cartomancy A Playing Card Reading Primer Speed Learning Palmistry Palm Readings In Your Own Words Speed
