[The Little Book of Common Sense Investing](#) John C. Bogle,2010-05-21 There are a few investment managers of course who are very good though in the short run it s difficult to determine whether a great record is due to luck or talent Most advisors however are far better at generating high fees than they are at generating high returns In truth their core competence is salesmanship Rather than listen to their siren songs investors large and small should instead read Jack Bogle s

The Little Book of Common Sense Investing Warren Buffett Chairman of Berkshire Hathaway 2014 Annual Shareholder Letter Investing is all about common sense Owning a diversified portfolio of stocks and holding it for the long term is a winner s game Trying to beat the stock market is theoretically a zero sum game for every winner there must be a loser but after the substantial costs of investing are deducted it becomes a loser s game Common sense tells us and history confirms that the simplest and most efficient investment strategy is to buy and hold all of the nation s publicly held businesses at very low cost The classic index fund that owns this market portfolio is the only investment that guarantees you with your fair share of stock market returns To learn how to make index investing work for you there s no better mentor than legendary mutual fund industry veteran John C Bogle Over the course of his long career Bogle founder of the Vanguard Group and creator of the world s first index mutual fund has relied primarily on index investing to help Vanguard s clients build substantial wealth Now with The Little Book of Common Sense Investing he wants to help you do the same Filled with in depth insights and practical advice The Little Book of Common Sense Investing will show you how to incorporate this proven investment strategy into your portfolio It will also change the very way you think about investing Successful investing is not easy It requires discipline and patience But it is simple For it s all about common sense With The Little Book of Common Sense Investing as your guide you ll discover how to make investing a winner s game Why business reality dividend yields and earnings growth is more important than market expectations How to overcome the powerful impact of investment costs taxes and inflation How the magic of compounding returns is overwhelmed by the tyranny of compounding costs What expert investors and brilliant academics from Warren Buffett and Benjamin Graham to Paul Samuelson and Burton Malkiel have to say about index investing And much more You ll also find warnings about investment fads and fashions including the recent stampede into exchange traded funds and the rise of indexing gimmickry The real formula for investment success is to own the entire market while significantly minimizing the costs of financial intermediation That s what index investing is all about And that s what this book is all about [Index Funds](#) Armani Murphy,2020-02-26 Are you ready to get started with laying a foundation for your future using a tried and true passive income avenue Then you re ready to learn about investing in index funds Unlike more traditional forms of mutual fund investments which are actively managed by the investor or by the broker investing in index funds results in passive income meaning that after the initial investment you don t need to put regular time effort or expense into your investment Since you as the investor don t need the help of analysts and managers to give you advice on what to invest in it cuts down on the expenses necessary to maintain your portfolio And many experts say that passive investments actually perform better than actively managed higher risk investments Index funds are one way to work along with the market rather than trying to play against it and win Passive income created through index funds is a great way to build for your future including creating a higher return for your retirement income Index Funds Passive Income Idea for Complete Beginners A Stock Marketing Investment Strategy that Withstood the Test of Time will help you build your future

from the ground up Read this book to learn the following The basic terms and meanings you need to know including indexing benchmarks management expense ratio and portfolios The most popular indexes in use today and why How index funds compare to passively managed funds Pros and cons of an index fund account What passive income can do for your future Success stories brought about by index funds Why index funds are recommended for building up your retirement income and How to get started with your own portfolio Regardless of what stage of life you re in it s never too soon to put your income to work for you via investments Now is the time to start thinking about your future Let this book be your best guide to a reliable source of passive income
