For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the *Books a la Carte Plus* program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version, allowing students to take only what they need to class. As an added bonus, each *Books a la Carte Plus* edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all, our *Books a la Carte Plus* titles cost less than a used textbook. The primary goal of *World Civilizations* is to present a truly global history since the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts. This global world history text emphasizes the major stages in the interactions among different peoples and societies while also assessing the development of major societies. Presenting social and cultural as well as political and economic aspects, the book examines key civilizations.

in world history World Civilizations balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact     *The Art and Architecture of Ancient Egypt* William Stevenson Smith, William Kelly Simpson, 1998-01-01 A survey of Egyptian art and architecture is enhanced by revised text an updated bibliography and over four hundred illustrations     **World Civilizations** Peter N.
