Dowden, Gregor Thuswaldner**

## **Attack Of The Copula Spiders Essays On Writing Douglas Glover:**

**Attack of the Copula Spiders** Douglas Glover, 2012-04-10 Vitriolic and incisive Douglas Glover's newest essays defend literature against the assaults of a post-literate age **Attack of the Copula Spiders : And Other Essays on Writing**, 2012 In the tradition of E. M. Forster, John Gardner, and James Wood, Douglas Glover has produced a book on writing at once erudite, anecdotal, instructive, and amusing. **Attack of the Copula Spiders** represents the accumulated wisdom of a remarkable literary career: novelist, short story writer, essayist, teacher, and mentor. Glover has for decades been asking the vital questions: How does the way we read influence the way we write? What do craft books fail to teach aspiring writers about theme, about plot, and subplot, about constructing point of view? How can we maintain drama on the level of the sentence and explain drama in the sentences of others? What is the relationship of form and art? How do you make words live? Whether his subject is Alice Munro, Cervantes, or the creative writing classroom, Glover's take is frank and fresh, demonstrating again and again that graceful writers must first be strong readers. This collection is a call to arms for all lovers of English and **Attack of the Copula Spiders**, our best defense against the assaults of a post-literate age **Thomas Bernhard's Afterlives** Olaf

Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose, fiction, memoirs, poetry, and drama, Thomas Bernhard (1931-1989), one of the 20th century's most uniquely gifted writers, created a new and radical style seemingly out of thin air. His books never tell a story in the received sense. Instead, he rages on the page, he rants, and he spews vitriol about the moral failures of his homeland, Austria, in the long amnesiac aftermath of the Second World War. Yet this furious prose, seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards, has been powerfully echoed in many writers since Bernhard's death in 1989. These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth. **Thomas Bernhard's Afterlives** examines the international mobilization of Bernhard's style. Writers in Italian, German, Spanish, Hungarian, English, and French have succeeded in making Bernhard's Austrian vision an international vision. This book tells that story *The Routledge Introduction to the Canadian Short Story* Maria Löschnigg, 2022-12-30 This volume aims to introduce undergraduates, graduates, and general readers to the diversity and richness of Canadian short story writing and to the narrative potential of short fiction in general. Addressing a wide spectrum of forms and themes, the book will familiarise readers with the development and cultural significance of Canadian short fiction from the early 19th century to the present. A strong focus will be on the rich reservoir of short fiction produced in the past four decades and the way in which it has responded to the anxieties and crises of our time. Drawing on current critical debates, each chapter will highlight the interrelations between Canadian short fiction and historical and socio-cultural developments. Case studies will zoom in on specific thematic or aesthetic issues in an exemplary manner. *The Routledge Introduction to the Canadian Short Story* will provide an accessible and comprehensive overview, ideal for students and general readers interested in the multifaceted and thriving medium of the short story in Canada *The Cambridge*

*Companion to Alice Munro* David Staines, 2016-03-10 This Companion is a complete introduction to the fictional and non-fictional writings of the Nobel Prize winner Alice Munro

**Rethinking Juan Rulfo's Creative World** Nuala Finnegan, Dylan Brennan, 2016-05-05 Though primarily known for his haunting enigmatic novel *Pedro Páramo* and the unrelenting depictions of the failures of post-revolutionary Mexico in his short story collection *El Llano en llamas* Juan Rulfo also worked as scriptwriter on various collaborative film projects and his powerful interventions in the area of documentary photography ensure that he continues to inspire interest worldwide Bringing together some of the most significant names in Rulfian scholarship this anthology engages with the complexity and diversity of Rulfo's cultural production The essays in the collection bring the Rulfian texts into dialogues with other cultural traditions and techniques including the Japanese Noh or mask plays and modernist experimentation in the Irish language They also deploy diverse theoretical frameworks that range from Roland Barthes work on *studium* and *punctum* in photography to Henri Lefebvre's ideas on space and spatiality and the postmodern insights of Jean Baudrillard on the nature of the simulacrum and the hyperreal In this way innovative approaches are brought to bear on the Rulfian texts as a way of illuminating the rich tensions and anxieties they evoke about Mexico about history about art and about the human condition

**The Cambridge Companion to the American Short Story** Michael J. Collins, Gavin Jones, 2023-05-25 Comprising new work by leading scholars this book traces the history of American short fiction and provides original avenues for research
