As we begin the new year this title is currently the most up to date auditing textbook on the market covering all of the latest pronouncements through the end of 2011 The book's unique organization presents the auditing process in twelve concise chapters with eight flexible independent modules designed to be integrated into the course entirely at the instructor's discretion Perhaps most importantly this title is the only book on the market to fully integrate the Codification of the New Clarity Standards including new sections issued by the Auditing Standards Board As these standards will be effective for year end audits after December 15 2012 they will be covered on the CPA exam beginning in July 2013 when many current students will be taking the CPA exam after completing 150 hours of coursework In addition the Louwers book also brings the real world into the classroom through the addition of extensive Auditing Insights involving real issues facing today's professionals as well as the updated Apollo Shoes Casebook the only stand alone fraud audit case on the market available on the book's website [www.mhhe.com/louwers5e](http://www.mhhe.com/louwers5e) Throughout the revised text the Louwers author team has updated each chapter to include the latest pronouncements technology and case material for your auditing classes This edition has fully integrated the eight new standards adopted by the PCAOB And most importantly the risk assessment chapter was restructured to incorporate the exacting risk assessment process as outlined in the new PCAOB risk standards The book has fully integrated the latest updates from the International Standards of Auditing ISAs and the Auditing Standards Board ASB Each chapter now begins with a list of the AU ISA Sections that are covered from the Codification of Statements on Auditing Standards published by the AICPA and the list of PCAOB Auditing Standards covered in that chapter This edition incorporates the major changes to the structure and the content of the auditing section of the CPA examination for 2011 and has been designed to provide multiple opportunities for students to practice questions that they will encounter on the CPA exam Each chapter has an abundance of multiple choice questions In addition to provide experience with the task based exam approach Kaplan CPA Simulations are included in the text problem material and are also accessible at [www.mhhe.com/louwers5e](http://www.mhhe.com/louwers5e) These multiple choice questions and simulations allow the student to gain skills and pick up additional knowledge for success on the CPA Examination The education version of ACL software is included free with the book Exercises for use with the ACL software are available on the book's website The book is also fully integrated with McGraw Hill's Connect™ Accounting The next evolution in online homework management and assessment McGraw Hill's Connect™ Accounting is an online assignment and assessment solution that connects you with the tools and resources you'll need to achieve success Access to end of chapter material that provides immediate feedback and reports directly to your instructor's reports Access to lectures and study tools like PowerPoint slides If you are interested

in a straight forward interactive and eco friendly knowledge acquisition process the Louwers text can help The book is now integrated fully with McGraw Hill s Connect Accounting so you also receive access to a searchable integrated online version of the textbook to help you successfully complete your work whenever and wherever you choose If your instructor chooses to use McGraw Hill s Connect™ Accounting with your course you can purchase access from the Online Learning Center at [www.mhhe.com/louwers5e](http://www.mhhe.com/louwers5e) Learn more about Auditing Assurance Services 5 e by visiting [www.mhhe.com/louwers5e](http://www.mhhe.com/louwers5e) today

**Auditing & Assurance Services** Timothy J. Louwers, David Sinason, 2006-03-20 As a result of recent audit scandals such as Enron and Worldcom several new auditing standards have been enacted making currency one of the most important issues in this market Upon publication this text will be the most up to date auditing text on the market It s been written so that it is current with all issues inherent in accounting and auditing practice particularly in public accounting firms including coverage of the creation of the Public Companies Accounting Oversight Board the passage of the Sarbanes Oxley Act and all of the major pronouncements issued by the AICPA through Summer 2005 The Louwers text is also a leader in fraud coverage and is accompanied by the Apollo Shoes Casebook the only standalone FRAUD audit case on the market available at the book s Online Learning Center The text is also designed to provide flexibility for instructors the twelve chapters focus on the auditing process while the eight modules provide additional topics that can be taught at the instructor s discretion without interrupting the flow of the text

Auditing and Assurance Services Jack C. Robertson, Timothy J. Louwers, 2002 The Tenth Edition of Auditing continues to provide students a balanced presentation of auditing concepts and procedures The text reflects the challenges inherent in accounting and auditing practice particularly in public accounting firms The text is designed to provide flexibility for instructors the thirteen chapters focus on the Auditing Process while the eight modules provide additional topics There are three main approaches to teaching auditing which you need to understand to match customer needs with our texts 1 The Balance Sheet Approach smallest market segment and more traditional which teaches the audit procedures by using the individual balance sheet and related income statement accounts Our Whittington Pany text is the only one left in this segment 2 The Audit Risk Model This is an emerging area in auditing that considers audit risk which is the probability that an auditor will give an inappropriate opinion on financial statements 3 The Cycles Approach which was first introduced by the market leading textbook written by Arens Loebbecke Prentice Hall Cycles are sets of accounts and business activities that go together in an accounting system This is where Robertson fits in the market

MP Auditing & Assurance Services w/ACL software cd 4e Timothy Louwers, Robert Ramsay, David Sinason, Jerry Strawser, Jay Thibodeau, 2010-01-16 The fourth edition of Auditing the twelve chapters focus on the auditing process while the eight modules provide additional topics that can be taught at the instructor s discretion without interrupting the flow of the text
