**The Book That No One Wanted to Read** Richard Ayoade,2023-03-14 From actor author broadcaster comedian filmmaker Richard Ayoade comes a book narrated by a book Quirky smart and genre busting this is the saga of a book that nobody wants to read until the day it meets YOU The life of a book isn t easy especially when people judge you by your cover not every book can be adorned with sparkly unicorns And this narrator should know it s the book itself and it has a lot of opinions It gets irritated when readers bend its pages back and it finds authors quite annoying But it does have a story to tell Through witty direct address and charming illustrations readers meet a book that has never been read with a cover the boring color of a school lunch table and pages so dry they give bookworms indigestion But what happens when this book meets you a curious reader Multitalented author Richard Ayoade and award winning illustrator Tor Freeman bring to life a hilariously subversive take on
