

Why Invest in Index Funds?

Investing in index funds might not seem all that exciting, but that's the point. It gives you broad exposure to a market/asset that will help ensure your wealth grows over time.

Key point: Investing in index funds gives you the benefits of investment returns of the stock or other market without taking on the individual company risk and having to pay trading commissions related to individual stocks.

and ETFs are now common both on investor platforms and increasingly amongst financial advisors. This massive increase in demand has highlighted an urgent debate just how dangerous are ETFs and how much do investors and advisers understand about the structure of the index tracker. The second edition of this book attempts to answer this debate and is the indispensable bible on trackers for professional advisers and serious private investors. This new edition also features a chapter based around the theme of Due Diligence and a new chapter on How to use ETFs and Index Funds for the Long term as well as a new Jargon busting section and a new appendix looking at new ideas beginning to emerge.
