Expert Index Fund Investing For Creators For Beginners:

Makers and Takers Rana Foroohar, 2017-09-12 Is Wall Street bad for Main Street America A well told exploration of why our current economy is leaving too many behind The New York Times In looking at the forces that shaped the 2016 presidential election one thing is clear much of the population believes that our economic system is rigged to enrich the privileged elites at the expense of hard working Americans This is a belief held equally on both sides of political spectrum and it seems only to be gaining momentum A key reason says Financial Times columnist Rana Foroohar is the fact that Wall Street is no longer supporting Main Street businesses that create the jobs for the middle and working class She draws on in depth reporting and interviews at the highest rungs of business and government to show how the financialization of America the phenomenon by which finance and its way of thinking have come to dominate every corner of business is threatening the American Dream Now updated with new material explaining how our corrupted financial system propelled Donald Trump to power **Makers and Takers** explores the confluence of forces that has led American businesses to favor balance sheet engineering over the actual kind greed over growth and short term profits over putting people to work From the cozy relationship between Wall Street and Washington to a tax code designed to benefit wealthy individuals and corporations to forty years of bad policy decisions she shows why so many Americans have lost trust in the system and why it matters urgently to us all Through colorful stories of both **Takers** those stifling job creation while lining their own pockets and **Makers** businesses serving the real economy Foroohar shows how we can reverse these trends for a better path forward

Legacy Maker Claire Donnelly, 2025-09-15 Do you feel trapped in a financial story you didn't write Does the weight of just getting by feel heavy leaving you wondering if real wealth and security are meant for other people *Legacy Maker* is the blueprint for rewriting your family's financial destiny Julian Bridges cuts through the jargon and shame offering a practical empathetic guide for breaking financial cycles building lasting wealth and creating a legacy of stability opportunity and abundance Inside you'll discover How to identify and dismantle limiting money beliefs A step by step process to assess your finances and build an actionable plan Proven strategies to increase income through side hustles or career growth Tools for intentional spending and eliminating high interest debt Simple beginner friendly approaches to saving and investing Ways to foster healthy money conversations within your family Stop letting old financial stories dictate your future *Legacy Maker* shows you how to take control of your money your mindset and your family's destiny The time to build your legacy starts now Scroll up and click Buy Now to start your journey today *The Exchange-Traded Funds Manual* Gary L.

Gastineau, 2010-07-06 Full coverage of ETF investments from an expert in the field The initial edition of Gary Gastineau's *The Exchange Traded Fund Manual* was one of the first books to describe and analyze ETFs It made the case for the superiority of the structure of investor friendly ETFs over mutual funds and helped investors select better funds among the ETFs available With this new edition Gastineau provides comprehensive information on the latest developments in ETF structures
