Key Issues in Chinese as a Second Language Research Istvan Kecskes,Chaofen Sun,2017-06-26 Key Issues in

Chinese as a Second Language Research presents and discusses research projects that serve as theoretical grounding for improving the teaching and learning of Chinese as a second language CSL in order to help researchers and practitioners better understand the acquisition development and use of CSL With the exception of the first chapter which is state of the art each chapter makes an attempt to bring together theory and practice by focusing on theory building and theory application in practice The book is organized around areas where most future research is needed in CSL phonology semantics grammar and pragmatics Consisting of contributions from an international group of scholars working on cutting edge research this is the ideal text for researchers graduate students and practitioners in the area of Chinese as a second or foreign language

Inscribing Jingju/Peking Opera David Rolston,2021-08-09 What was the most influential mass medium in China before the internet Jingju Peking opera Although its actors were commonly thought to have been illiterate written and other inscribed versions of plays became more and more important and varied This book shows how increasing textualization and the resulting fixation of a performance tradition that once privileged improvisation changed the genre It traces from Jingju s birth in the 19th century to the present how texts were used for the production and consumption of this important performance genre and the changes in the concepts of authorship copyright and performance rights that took place during the process The state s desire to police what was performed is shown to have been a major factor in these changes The scope and coverage of the book is already unprecedented but it is also supplemented by an additional chapter on where the plays were performed who performed them and who went to see them available for download online [The Longest Way to Eat a Melon](#) Jacquelyn Zong-Li Ross,2025-06-10 The debut short story collection from writer artist and editor Jacquelyn Zong Li Ross Equal parts melody and malaise The Longest Way to Eat a Melon charts the activities of a cast of speakers who all grapple in their own ways with what it takes to conjure a self in the midst of discordance A brain argues with a non brain about how to remain productive from a place of exhaustion two supernaturally inclined twins named Han are separated at birth and an emerging artist paralyzed by possibility considers how best to transform a melon into a breakthrough work of art Incorporating elements of fable surrealism satire and art and cultural criticism these stories have a playful peculiarity to them an interweaving of self deprecation and curiosity of woe and hope of absurdity and humanity Reader you will want to savor every bite [Reading Sima Qian from Han to Song](#) Esther S. Klein,2019-03-27 In Father of Chinese History Esther Klein explores the life and work of the great Han dynasty historian Sima Qian as seen by readers from the Han to the Song dynasties Today Sima Qian is viewed as both a tragic hero and a literary genius Premodern responses to him were more equivocal the complex personal emotions he expressed prompted readers to worry about whether his work as a historian was morally or politically acceptable Klein demonstrates how controversies over the value and meaning of Sima Qian s work are intimately bound up with larger questions How should history be written What role does individual experience and self expression play within that process By what standards can the historian s choices be judged [Advanced chinese volume 3](#)
