Hear The Wind Sing:

□□□□□□ Haruki Murakami,1987 Haruki Murakami and the Search for Self-Therapy Jonathan Dil,2022-02-24 Haruki Murakami a global literary phenomenon has said that he started writing fiction as a means of self therapy What he has not discussed as much is what he needed self therapy for This book argues that by understanding more about why Murakami writes and by linking this with the question of how he writes readers can better understand what he writes Murakami s fiction in other words can be read as a search for self therapy In five chapters which explore Murakami s fourteen novels to date this book argues that there are four prominent therapeutic threads woven through Murakami s fiction that can be traced back to his personal traumas most notably Murakami s falling out with his late father and the death of a former girlfriend and which have also transcended them in significant ways as they have been transformed into literary fiction The first thread looks at the way melancholia must be worked through for mourning to occur and healing to happen the second thread looks at how symbolic acts of sacrifice can help to heal intergenerational trauma the third thread looks at the way people with avoidant attachment styles can begin to open themselves up to love again the fourth thread looks at how individuation can manifest as a response to nihilism Meticulously researched and written with sensitivity the result is a sophisticated exploration of Murakami s published novels as an evolving therapeutic project that will be of great value to all scholars of Japanese literature and culture *Hear the Wind Sing* Haruki Murakami,2016-07 **Wind / Pinball** Haruki Murakami,2016-05-01 Haruki Murakami s first two novels available for the first time in English outside Japan With a new introduction by the author If you re the sort of guy who raids the refrigerators of silent kitchens at three o clock in the morning you can only write accordingly That s who I am *Hear the Wind Sing* and *Pinball* 1973 are Haruki Murakami s earliest novels They follow the fortunes of the narrator and his friend known only by his nickname the Rat In *Hear the Wind Sing* the narrator is home from college on his summer break He spends his time drinking beer and smoking in J s Bar with the Rat listening to the radio thinking about writing and the women he has slept with and pursuing a relationship with a girl with nine fingers Three years later in *Pinball* 1973 he has moved to Tokyo to work as a translator and live with indistinguishable twin girls but the Rat has remained behind despite his efforts to leave both the town and his girlfriend The narrator finds himself haunted by memories of his own doomed relationship but also more bizarrely by his short lived obsession with playing pinball in J s Bar This sends him on a quest to find the exact model of pinball machine he had enjoyed playing years earlier the three flipper *Spaceship* Wind/Pinball Haruki Murakami,2016-05-03 NATIONAL BESTSELLER *Wind Pinball* a unique two in one volume includes on one side Murakami s first novel *Hear the Wind Sing* When you flip the book over you can read his second novel *Pinball* 1973 Each book has its own stunning cover In the spring of 1978 a young Haruki Murakami sat down at his kitchen table and began to write The result two remarkable short novels *Hear the Wind Sing* and *Pinball* 1973 that launched the career of one of the most acclaimed authors of our time These powerful at times

surreal works about two young men coming of age the unnamed narrator and his friend the Rat are stories of loneliness obsession and eroticism They bear all the hallmarks of Murakami s later books and form the first two thirds with A Wild Sheep Chase of the trilogy of the Rat Widely available in English for the first time ever newly translated and featuring a new introduction by Murakami himself Wind Pinball gives us a fascinating insight into a great writer s beginnings
