Passion Economy and the Side-Hustle Revolution Utkarsh Amitabh, 2023-03-20. Work is getting unbundled from employment, and the Great Resignation has become the new normal. As the passion economy becomes mainstreamed, people will look to build a portfolio of professions that create multiple income streams. They are likely to monetize their passions and build a career on their terms, seeking autonomy, mastery, and purpose along the way. Today, it is possible to do what you love, teach what you love, and make a living. This book will tell you how. **Work Less, Make More** Kim Northwood, 2023-04-01. *Work Less Make More: The Millennial's Guide to Financial Freedom* is about the golden rule of personal finance: If you don't manage your money, someone else will. This book aims to inspire you to take control of your personal finances. We've been sold a lie about having to hustle harder than everyone else to get ahead. The truth is, personal finance is not about how much you earn; it's about how much you convert to wealth. The book focuses on using money to its full potential from home ownership, strategies, insurances, and superior to modern investing tactics. Following two millennials, Penny and Shriram, the book shows how simple decisions can make an enormous difference to your wealth. In the current social and economic climate, it is more important than ever to use knowledge to build financial security. This is your guide to financial freedom.
