 directory that makes trip planning a snap      **Annual Editions** Kurt Finsterbusch,2004-03 The articles presented in this  
 book were selected for their attention to important issues the value of the information and ideas they present and or their  
 ability to move the reader to concern and possibly even action toward correcting social problems This book begins by  
 defining social problems and presenting a general critique of American society Next the book examines some big issues in  
 the political and economic systems that have society wide impacts Next it examines issues of inequality and injustice that  
 challenge basic American values The book then considers how well the various institutions of society work and studies the  
 traditional problem of crime and law enforcement Finally the book confronts the issues of sustainability in a world  
 experiencing serious environmental decline To the reader      **The British National Bibliography** Arthur James Wells,2009
