John Bush Jones

Assassins Sondheim Script:

Ever After Barry Singer, 2004-01-01 A detailed show by show history of the last quarter century in American musical theater that attempts to explain how the storied Broadway tradition went so very wrong in many cases *Aristophanes in Performance, 421 BC-AD 2007* Edith Hall, Amanda Wrigley, 2007 This book traces the international performance history of Aristophanic comedy and its implication in aesthetic and political controversies from 421 BC to AD 2007 It includes Brechtian experiments in East Berlin and musical theatre from Gilbert and Sullivan to Stephen Sondheim

Our Musicals, Ourselves John Bush Jones, 2011-04-17 *Our Musicals Ourselves* is the first full scale social history of the American musical theater from the imported Gilbert and Sullivan comic operas of the late nineteenth century to such recent musicals as *The Producers* and *Urinetown* While many aficionados of the Broadway musical associate it with wonderful diversionary shows like *The Music Man* or *My Fair Lady* John Bush Jones instead selects musicals for their social relevance and the extent to which they engage directly or metaphorically contemporary politics and culture Organized chronologically with some liberties taken to keep together similarly themed musicals Jones examines dozens of Broadway shows from the beginning of the twentieth century to the present that demonstrate numerous links between what played on Broadway and what played on newspapers front pages across our nation He reviews the productions lyrics staging and casts from the lesser known early musicals the gunboat musicals of the Teddy Roosevelt era and the Cinderella shows and leisure time musicals of the 1920s and continues his analysis with better known shows including *Showboat* *Porgy and Bess* *Oklahoma* *South Pacific* *West Side Story* *Cabaret* *Hair* *Company* *A Chorus Line* and many others While most examinations of the American musical focus on specific shows or emphasize the development of the musical as an art form Jones s book uses musicals as a way of illuminating broader social and cultural themes of the times With six appendixes detailing the long running diversionary musicals and a foreword by Sheldon Harnick the lyricist of *Fiddler on the Roof* Jones s comprehensive social history will appeal to both students and fans of Broadway

Off-Broadway Musicals since 1919 Thomas Hischak, 2011-02-18 Although the venue Off Broadway has long been the birthplace of innovative and popular musicals there have been few studies of these influential works Long running champs such as *The Fantasticks* and *Little Shop of Horrors* are discussed in many books about American musicals but what of the hundreds of other Off Broadway musicals In *Off Broadway Musicals since 1919* Thomas Hischak looks at more than 375 musicals which are described discussed and analyzed with particular attention given to their books scores performers and creators Presented chronologically and divided into chapters for each decade beginning with the landmark musical *Greenwich Village Follies* 1919 the book culminates with the satiric *The Toxic Avenger* 2009 In this volume any work of consequence is covered especially if it was popular or influential but also dozens of more obscure musicals are included to illustrate the depth and breadth of Off Broadway Works that introduced an important artistic talent from performers to songwriters are looked at and the selection represents the various trends and themes that

made Off Broadway significant In addition to essential data about each musical the plot and score are described the success or lack of is chronicled and an opinionated commentary discusses the work s merits and influences on the musical theatre in general The first book of its kind this highly readable volume will please both the theatre scholar and the average musical theatre patron or fan

Off Broadway Musicals, 1910-2007 Dan Dietz,2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer
