

Hamlet

INTRODUCTION

BRIEF BIOGRAPHY OF WILLIAM SHAKESPEARE

William Shakespeare was born in 1564. His father was a glazier, maker, and woodturner in Stratford-upon-Avon, and his mother was the daughter of a well-to-do landowner. At 18, Shakespeare wed a woman eight years his senior, Anne Hathaway, just six months after their marriage. Hathaway gave birth to a daughter. She later bore two more children—one of whom, Hamnet, died at the age of 11. There is a gap in the historical record between the birth of Shakespeare's twins and his first recorded appearance on the London theater scene in 1592. His theatrical career likely began in the mid-1580s, and between then and 1613, he composed such works as *Romeo and Juliet*, *A Midsummer Night's Dream*, *Hamlet*, *The Merchant of Venice*, *Othello*, and many more. In 1609, he published a book of sonnets, and released other long poems in the mid-1590s when London theaters were closed due to the plague. Shakespeare died in 1616 of a rumored "fever" just a month after creating a will in which he declared himself to be in good health. His surviving writings include nearly 40 plays and over 150 sonnets, and his body of work is widely performed, analyzed, studied, and reinterpreted to this day.

HISTORICAL CONTEXT

Hamlet is in many ways a product of the Reformation—a religious revolution in which Protestants broke away from the Catholic Church—as well as the depth of humanism of the late Renaissance, which held that there were limits on human knowledge. Hamlet's constant anxiety about the difference between appearance and reality, as well as his difficulties with religion (the confabulation of suicide, the uncertainty that killing a murderer to revenge can be seen as directly influenced by humanist thought). In the centuries since it was first written, Hamlet has been staged and set in different eras of history, from the late Middle Ages to the confines of a modern-day psych ward). Truncated and full-text versions alike have been produced on stage and screen, and 20th and 21st century casts and directors have launched interpretations of the best which equate Hamlet as an Oedipal figure, as an individual suffering from mental illness, and even as the illegitimate son of King Claudius.

RELATED LITERARY WORKS

The story of Hamlet is based on a Danish revenge story first recorded in the *Saxo Grammaticus* in the 1200s. In these stories, a Danish prince takes matters in order to take revenge on his

uncle, who had killed the prince's father and married his mother. Many scholars believe that Shakespeare wanted the first person to adapt this story—Thomas Kyd, one of Shakespeare's contemporaries, is largely believed to have written a play known as the *UR Hamlet*. Though the text has been lost, scholars believe Shakespeare was directly inspired by Kyd's work. Tom Stoppard's 1996 play *Rosencrantz and Guildenstern Are Dead* reimagines the world of Hamlet with Rosencrantz and Guildenstern—Hamlet's doomed courtiers—as the main characters. Their non-identical discussions, which take place "in-between" the scenes of the original text (which are briefly interspersed throughout the play) find Hamlet's discursive monologues. Hailed as an absurdist tragedy, *Rosencrantz and Guildenstern* is widely regarded as one of the greatest plays of the 20th century and has been adapted for radio and film, with Gary Oldman and Tim Roth leading the 1990 movie adaptation.

KEY FACTS

- **Full Title:** The Tragedy of Hamlet, Prince of Denmark
- **When Written:** Likely between 1599 and 1602
- **Where Written:** Stratford-upon-Avon or London, England
- **When Published:** First Quarto printed (with second Quarto printed 1608), First Folio printed 1623
- **Literary Period:** Renaissance
- **Genre:** Tragic play, revenge play
- **Setting:** Elsinore Castle, Denmark, during the late Middle Ages
- **Clues:** After seeing Claudius's emotional reaction to a play Hamlet has had staged in order to make Claudius face a fictionalized version of his own murder plot against the former king, Hamlet resolves to kill the Claudius without guilt.
- **Antagonist:** Claudius
- **Point of View:** Dramatic

EXTRA CREDIT

The Role of a Lifetime. The role of Hamlet is often considered one of the most challenging theatrical roles ever written, and has been widely interpreted on stage and screen by famous actors throughout history. Shakespeare is rumored to have originally written the role for John Burbage, one of the most well-known actors of the Elizabethan era. Since Shakespeare's time, actors John Barrymore, Laurence Olivier, Ian McKellen, Judi Dench, Kenneth Branagh, and Ethan Phillips are just a few actors who have tried their hand at playing the Dane. When Daniel Day-Lewis took to the stage as Hamlet in London in
