imagined Now it is the scientific establishment that is on the ropes as a century of errors and deception has been unearthed
 In Loving Science But Not the Empire experimental scientist Jay Sonstroem helps readers discern between the findings of
 real science and fables which have been pushed by an entity he calls The Empire Jay provides short readable chapters to
 reveal both the wonders of creation and the schemes and blunders of The Empire which have resulted from its hijacked
 version of science Topics include the hidden truth of DNA the wonders of biology the fine tuning of the universe and
 evolution and Darwinism debunked Is it possible to love science but not worship it You bet Does a person who believes in God
 have to give up Reason No Come along and piece together the puzzle of life the universe and everything in between What you
 believe about your origins has everything to do with what you believe about your destiny Follow the light find the Truth and
