100 Side Hustles That Work in 2026: "Step-by-Step Beginner Guide" Dr. Gloria Walker, 2025-12-12 The economy has changed but opportunity has not. If you've been searching for a realistic way to increase your income without quitting your job, working nonstop, or feeling overwhelmed by online hype, this book was written for you. *100 Side Hustles That Work in 2026* breaks down proven, beginner-friendly income streams that are working right now, even in a rapidly changing digital economy. No fluff, no guesswork. Just clear, practical steps you can take immediately. Inside, you'll discover 100 real side hustles across digital, service-based, creative, local, and passive income categories. Step-by-step instructions for getting started with each hustle, tools and resources beginners actually need, realistic income ranges from first dollars to scalable growth, time commitments so you can choose what fits your lifestyle, a 30-day action plan to help you start earning with confidence. Whether you're a working professional, stay-at-home parent, student, or entrepreneur in transition, this guide empowers you to move from thinking about more income to creating it intentionally and sustainably. You don't need 100 ideas; you need one that works and the confidence to begin. This book gives you both.

HBR Guide to Retaining Your Best People Harvard Business Review, 2025-08-05 Stop your top talent from walking out the door. Employees have a sea of options when it comes to where and how they work, and if they're not getting what they want, they'll move on. If the threat of having your top performers working for the competition isn't bad enough, high turnover can inflict serious financial and emotional costs on your company. The *HBR Guide to Retaining Your Best People* offers concrete advice and tactics to keep valuable employees engaged and loyal to your organization. You'll discover how to meet their intrinsic needs, create opportunities for career development, and build a workplace where they want to excel. You'll learn how to uncover the real reasons employees quit, discover the elements of work your people value most, ensure your team feels seen, heard, and appreciated, keep your employees learning and growing, adjust how your people work in order to offer flexibility and avoid burnout, identify where your retention strategies fall short, and fix them. Arm yourself with the advice you need to succeed on the job with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.
