Ligeia (□□□) Edgar Allan Poe,2011-04-15      **Poe Abroad** Lois Davis Vines,2002-04-25 In Poe Abroad Lois Vines has brought together a collection of essays that document the American writer s influence on the diverse literatures and writers of the world Over twenty scholars demonstrate how and why Poe has significantly influenced many of the major literary figures of the last 150 years      **Romantic Disillusionism and the Sceptical Tradition** Rolf P. Lessenich,2017-01-16 Platonic Romanticism had a dark underside from its inception Romantic Disillusionism encompassing the Gothic and the new demonic doppelganger The Classical Tradition s conflict between Plato and Pyrrho foundationalism and scepticism optimism and pessimism was thus continued Lord Byron s was the most listened to and echoed voice of Romantic Disillusionism in Europe though by far not the only one This comparative study of a multiplicity of sceptical English French German Italian Spanish Russian Polish and Czech voices shows how traditional Pyrrhonic arguments were updated to suit the decades of the Romantic Movement surviving as a subversive countercurrent to later Victorianism and resurging in the literature of the Decadence and Fin de Si cle      *Edgar Allan Poe* Arthur Hobson Quinn,1997-11-25 Renowned as the creator of the detective story and a master of horror the author of *The Red Mask of Death* *The Black Cat* and *The Murders of the Rue Morgue* Edgar Allan Poe seems to have derived his success from suffering and to have suffered from his success *The Raven* and *The Tell Tale Heart* have been read as signs of his personal obsessions and *The Fall of the House of Usher* and *The Descent into the Maelstrom* as symptoms of his own mental collapse Biographers have seldom resisted the opportunities to confuse the pathologies in the stories with the events in Poe s life Against this tide of fancy guesses and amateur psychologizing Arthur Hobson Quinn s biography devotes itself meticulously to facts Based on exhaustive research in the Poe family archive Quinn extracts the life from the legend and describes how they both were distorted by prior biographies      **Manual of the Art of Fiction** Clayton Meeker Hamilton,1918      Nineteenth-century Literature Criticism Laurie Lanzen Harris,1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations      **Poe, Queerness, and the End of Time** Paul Christian Jones,2022-05-16 This book builds upon recent theoretical approaches that define queerness as more of a temporal orientation than a sexual one to explore how Edgar Allan Poe s literary works were frequently invested in imagining lives that contemporary readers can understand as queer as they stray outside of or aggressively reject normative life paths including heterosexual romance marriage and reproduction and emphasize individuals present desires over future plans The book s analysis of many of Poe s best known works including *The Raven* *The Fall of the House of Usher* *The Black Cat* *The Masque of the Red Death* and *The Murders in the Rue Morgue* show that his attraction to the liberation of queerness is accompanied by demonstrations of extreme anxiety about the potentially terrifying consequences of non normative choices While Poe never resolved the conflicts in his thinking this book argues that this compelling imaginative tension between

queerness and temporal normativity is crucial to understanding his canon *Educational Times* ,1900 *The Educational Times, and Journal of the College of Preceptors* ,1900 [The Short Story in English](#) Dean Baldwin, Gregory L.

Morris, 1994-06 Designed for students and teachers of the short story at the college and high school levels this bibliography covers American Canadian and British authors and stories most frequently anthologized for classroom study plus a few authors the editors believe have been unjustly neglected Opening chapters cover reference works bibliographies histories of the short story and short story theory including the most important new thinking on the genre Chapters on individual authors arranged alphabetically include standard biographies general critical studies and discussions of individual stories particularly those frequently anthologized and studied in the classroom Throughout the emphasis is on books and journal articles from *Studies in Short Fiction* and *Modern Fiction Studies* especially readily available to students and teachers in college or public libraries Annotations are detailed providing not only a synopsis of the content but also the author's approach Biographical formalist structuralist psychological etc Highly technical or very difficult studies are generally not included The result is a comprehensive and easy to use guide to the scholarship and criticism on a wide range of important British and American short story writers ranging in time from Robert Lewis Stevenson and Edgar Allan Poe to Raymond Carter and Alice Munro
