Why Studying the Bible Matters

Studying the Bible is important for growing your relationship with God. It has often been said, “It’s not only that we read the Bible, but that the Bible reads us.” Engaging with the Bible draws us closer to God and teaches us the Truth. Right now, we are living in a time when many people believe truth is relative, but as Christians, we have access to the Word of Truth at all times. “When you know the truth, the truth sets you free,” said Jesus, and His Word is Truth.

What is SOAP?

SOAP is a Bible reading and journaling method that helps us process, reflect on, and apply God’s Word to our lives. We don’t read the Bible just to read the Bible—, we read the Bible to be changed by God. As you study God’s Word, pray and ask the Holy Spirit to speak to you and change you for the better.
