The Bridges of Avalon Nicholas A Reiter, Lori Schillig, 2005-09 The Bridges of Avalon Science Spirit and the Quest for Unity is more than just another attempt to join the worlds of scientific objectivity and human spirituality It is also a chronicle of truth seeking a story of two everyday people whose lives were touched by the hand of an invisible presence and who followed the path that beckoned in its wake Two paths became one a path of friendship research and ever growing understanding as Nick Reiter and Lori Schillig formed The Avalon Foundation in 1996 Now for the first time in print Nick and Lori present their experiences and discoveries in the realms of alien abductions psychic research energy healing and paranormal investigation The tales herein will touch any who have experienced first hand the mysterious in their life and bring fresh thought and speculation to those who have studied these topics in a scholarly way Whether you are a researcher spiritual seeker student or just another wonderfully everyday person who has dared to dream and ponder that which lies beyond the bridges of Avalon await your footsteps
