*Take Your Glory Lord* Mary Garnett, 2000-03-01 A graphic illustration of the power of God in action the dead are raised the sick healed the possessed delivered and those in fear encouraged and strengthened **"Take Your Glory Lord"** Mary Garnett, 1979 *Take Your Glory Lord* Mary Garnett, 2022-07 The Story of William Duma a humble Zulu pastor who so depended on the Lord that his ministry was filled with God's miraculous power The author worked in South Africa and learned of the healing ministry of William Duma at the Umgeni Road Baptist Church in a low income area of Durban Struck by his humility she was led to write his story a work completed a short time after he died in Durban in 1977 Originally published in 1979 in South Africa reprinted in Australia in 1992 and in the UK in 2000 **Take Your Glory Lord** Mary Garnett, 1979 Surprised by the Power of the Spirit Zondervan, 2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In Surprised by the Power of the Spirit Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts Why I Am Still Surprised by the Power of the Spirit Jack S. Deere, 2020-04-07 In his classic Surprised by the Power of the Spirit Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today In Why I Am Still Surprised by the Power of the Spirit the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten Surprised by the Power of the Spirit this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere's work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the

passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it has had among Christians of many traditions **Take Your Glory Lord** Mary Garnett, 2022 [The Man in the Gap](#) Rex Jefferies, 2021-01-08 The inspiring and informative biography of Martin Holdt a pastor whose life touched many people and with remarkable outcomes Martin Holdt exercised a ministry in Southern Africa and beyond from the 1960s through the early 2000s A godly and influential man his life was marked by prayer and faithfulness to the call to be a pastor as well as being a visionary for planting and establishing God centered Bible based churches and with a vision for worldwide mission Includes a postscript appendix by Erroll Hulse **Acts: An Exegetical Commentary : Volume 4** Craig S. [Miracles : 2 Volumes](#) Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *Malihambe* J. A. Millard, 1999 This is a collection of profiles of 30 African church leaders from different denominations The first missionaries the Moravians established a mission station in South Africa as

early as 1737 but it was only after 1800 that work by various missionary societies and denominations really began. Although the missionaries were dedicated to the task of spreading the Gospel, the Christian church would not have been planted so successfully without the help of indigenous South African converts who were familiar with the language and culture of the people to whom they preached. These men and women were every bit as dedicated to spreading the Gospel as the missionaries, but little is known about their work. In official documents they were sometimes referred to as evangelists. There are also only a few profiles of women in this collection because so little information has been recorded about them.

**By Taking Heed --**, 1983 History of the Church in Southern Africa: A select bibliography of published material to 1980 J. W. Hofmeyr, Kathleen Edith Cross, 1986 *Last Boat for Africa* John P. Miller, 2005 John Miller was one of the last four young administrative officers to be sent to Africa. In the twilight of The British Empire He arrived in Swaziland in 1962 to take up a position in the British Colonial Service. For the next three years his life was nothing if not varied as the Administration worked to prepare the country for Independence. During six different postings he encountered many colourful characters and unusual situations and learnt something of the ways of the proud Swazi people. The author describes the political background and struggles between the emerging left wing political parties and Paramount Chief Sobhuza II who eventually outwitted everyone and led the country to independence. He went on to become the world's longest reigning monarch. Life was fun and adventurous but beyond the public gaze lay the dark side of Swazi life: the unseen world of superstition, witchcraft and ritual murder. John Miller's book is a valuable contribution to the history of one of Africa's least known countries: its government, culture and game and conservation management from the viewpoint of one who was involved at a critical time of its history. Royalties from the sale of this book will go to the Swaziland Diocese HIV AIDS project.
