language English abstract The purpose of the study is to reach an understanding of the concept of a capsule wardrobe and its
practitioners by developing a comprehensive definition of the concept and enriching it with practical experiences It aims to
clarify particularities in the marketing of minimalistic clothing An extensive literature review combined with qualitative in
depth interviews with experienced fashion minimalists was utilized to characterize capsule wardrobes and their owners The
study provides an understanding of the concept of a capsule wardrobe which is relevant in the fashion industry It identifies
the building characteristics of the concept and its proponents By developing an understanding of capsule wardrobes it
clarifies the specialties of marketing in minimalistic fashion and suggests approaches for fashion brands as well as
environmental policymakers This study contributes to the trend of minimalism by providing perspectives from fashion
minimalists on the topic of clothing consumption and by offering insights into marketing specialties for minimalistic fashion
