History of the IES Handbook

- IES founded in 1906
- First 41 years the IES used "Transactions of the Society" instead of a handbook
- First IES Handbook edition published in 1947; it was felt that this format would be available to a more broad, general audience
- 9th edition (previous) published in 2000; think about how much has changed in 11 years – LEDs, S/P ratios, etc. Wow!
- Handbook has become the principal source for lighting knowledge!
- Each edition thru the years has emphasized the current trends and needs
- Some editions placed more emphasis on quantitative ; in recent years, quality earned important recognition
