

IELTS Academic Writing Task 1 Activity - answer keys

Key to Procedure steps:

Step 2: Students have to spend a maximum of 20 minutes writing at least 150 words describing the main features of the graph, making comparisons and summarising it in their own words.

Step 3: The graph shows three time periods and both males and females in full and part time education. The main features are that the number of women in part and full time education increased, as did the number of men in part time education. The number of men in full time education fluctuated.

Step 6: The assessment criteria for task 1 are:

Task achievement – in the sample task all the main features of the graph are considered, nothing irrelevant is included and there are 179 words

Coherence and Cohesion – The answer has been divided into logical paragraphs and uses cohesive devices e.g. while, overall, as far as women are concerned...

Lexical resource – the vocabulary is varied e.g. went up, rose, increased, women, females, gradually, dramatically

Grammatical range and accuracy – there is a fairly good range and accurate use of grammatical structures e.g. comparatives – was lower than, adverbs – (increased) dramatically, past continuous – was fluctuating, passives – were involved

Key to Exercise 1

1. **What four pieces of information do you learn from the four sentences above the chart?**

The time you should spend; the introductory description of the chart; the instructions for the task; and the word count.

2. **Should candidates just copy the information on the question paper for their introductory statement?**

No. Candidates should use their own words at all times. Words and phrases copied directly from the question paper will not be assessed. They should try to paraphrase the information written on the question paper.

3. **Is the information about High School students?**

No. The information is about men and women studying in further education. The information in the first part of the question will help you to find out exactly who or what you are going to describe.

The exam, which tests listening, reading, writing, and speaking skills, is used for entrance into universities, non-academic business settings, and as a part of immigration applications for permanent residence or citizenship in several English-speaking countries. The IELTS is an approved English language test for U.S. and UK naturalization and visa applications.

IELTS Academic Reading Jane Turner, 2021-10-06. 8 sample papers for IELTS Academic Reading. The Academic Reading section tests a wide range of reading skills and strategies. Some tasks may involve reading for gist, i.e. general understanding or overall meaning. Others may require you to read for the main ideas in a text. You might also need to read for detail or specific information. Or perhaps you will be required to read closely in order to understand a logical argument in a text. The content of this resource has been written to closely replicate the IELTS exam experience and has undergone comprehensive expert and peer review. Each of the 8 exam-styled tests includes the different reading tasks that you may encounter during the IELTS Academic Reading test: Matching headings, True/False/Yes/No/Not Given, Matching information, Summary completion, Sentence completion, Multiple choice, Matching features, Choosing a title, Categorisation/classification, Matching sentence endings, Table completion, Flowchart completion, Diagram completion, Short answer questions, About the author. Jane Turner is an associate lecturer in EAP/EFL at Anglia Ruskin University, Cambridge, and an EFL materials writer for international exam boards, universities, and publishers. She previously worked as a Cambridge ESOL examiner for the British Council and holds an MA in Education Management and Cambridge CELTA and DELTA.
