3,096 Days in Captivity Natascha Kampusch, 2011-09-06 On March 2 1998 ten year old Natascha Kampusch was kidnapped and found herself locked in a house that would be her home for the next eight years She was starved beaten treated as a slave and forced to work for her deranged captor But she never forgot who she was and she never gave up hope of returning to the world This is her story

3,096 Days Natascha Kampusch, Heike Gronemeier, Corinna Milborn, 2010-09-16 On 2 March 1998 ten year old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van Hours later she found herself in a dark cellar wrapped in a blanket When she emerged eight years later her childhood had gone Here Natascha tells her amazing story for the first time what exactly happened on the day of her abduction her imprisonment in a five square metre dungeon and the mental and physical abuse she suffered from her abductor Wolfgang Priklopil

[10 Years of Freedom](#) Natascha Kampusch, Heike Gronemeier, 2017-04-25 In late October 2006 one of the most spectacular kidnapping cases of the younger past had come to end when Natascha Kampusch freed herself after being held captive in a hidden cellar near Vienna Austria for more than eight years Media companies from all over the world came to cover her life story which has taken quite some twists since then The result two autobiographies a feature film several documentaries and hundreds of interviews all within a decade 10 Years of Freedom offers us an insight into the impact such a nightmarish captivity has on a young woman's life It tells the story of a naive victim that had to learn to cope with the real world after being locked away for her whole youth The author spans a wide range of themes from her first days in freedom and the turbulent times after gaining it again to a never ending trauma which she will have to deal with for the rest of her life Natascha declares that she wasn't prepared to be a public figure after all but was suddenly confronted with a heavy and controversial media coverage including speculations by reporters regarding Stockholm syndrome and roleplaying along with being labelled cellar girl and sex slave Also wild conspiracy theories gained popularity resulting in several trials and review boards including police and FBI investigations Despite everything she found certain ways to reconnect with her family and even founded/initiated several charity projects e.g. the creation of a children's ward in Sri Lanka or the support of PETA an organisation for animal rights Your book is remarkable 10 Years of Freedom I urge everyone to read it Piers Morgan ITV It's a very powerful read Huw Edwards BBC Very brave Emma Barnett BBC

Becking,Anna-Marie J.A.C.M. Korte,Lucien van Liere,2017-01-09 Religion is a hot topic on the public stages of secular societies not in its individualized liberal or orthodox form but rather as a public statement challenging the divide between the secular neutral space and the religious In this new challenging modus religion raises questions about identity power rationality subjectivity law and safety but above all religion questions contests and even blurs the borders between the public and the private These phenomena urge to rethink what are often considered to be clear differences between religions between the public and the private and between the religious and the secular In this volume scholars from a range of different disciplines map the different aspects of the dynamics of changing contesting and contested religious identities
