## PREFACE

Over the years, many people have written books about the game. Some have provided general information about the game, while others have focused on specific aspects of the game. This book is a comprehensive guide to the game, covering everything a player needs to know to create heroic characters for the world's greatest roleplaying game.

It is a book for the player, not the referee. It is a book for the player who wants to create a character and play the game, not the referee who wants to run the game. It is a book for the player who wants to know the rules of the game, not the referee who wants to enforce the rules of the game.

It is a book for the player who wants to know the rules of the game, not the referee who wants to enforce the rules of the game. It is a book for the player who wants to know the rules of the game, not the referee who wants to enforce the rules of the game.
